Run Report 2248

Well what do I say when I cant remember !!!!
So from what I can remember **Cat blew** picked me
up On On to Captain and **Tennilles**
place.

I stayed with the trailer just to make sure it was in
safe hands, I think a few other hashers stayed as
well. GM sent the very small pack off in different
directions.

After a few cold beverages the circle was called. No
erectus, twas missing in action with someone called
not to night "Josephine" so that's why the erectus
wasn't here.

Then the prick of the week, which **Scissors** was
lucky enough to receive the previous week.

Well what happened next was worse than the fine
cotton affair! Back in 1984. Well you aint gonna
believe its happened at TVH3 not so much as trying
to disguise a horse but to stitched up our little
thoroughbred Filly **Scissors**. No way she said, this is
a bloody stitch up alright, I am believing some non
thoroughbred bastards had something to do with
this.

As the scandal broke to others in the hash pack,
word has it the leader of the pack and another non
thoroughbred bastard that holds the money had
conspired together, to give the shirt back to our
lovely little thoroughbred filly **Scissors**.

Good run/walk and Nosh which is big thanks to
Captains Son and Daughter for the cooking of the
hot dogs.

All the above ! I think this is what happened!!!!!!!!!!!!

ON ON till next week
Hercules

Eight year old little JOHNNY asked his mother
the age-old question:
"How did I get here?" His mother told him, "God
sent you." "And my
Cousin Matt?" "He sent him also" said the
mother. "Did God send you?
too?" asked little Johnny. "Yes, dear," the
mother replied. "Did God
send dad, too?" asked little Johnny. "Yes,
dear," the mother replied.
"What about Grandma and Grandpa?" Johnny
persisted. "He sent them
also" the mother said. "Did He send their
parents, too?" little Johnny
asked. "Yes, dear, He did," said the mother
patiently.

"So you're telling me that there has been NO
sex in this family for
200 years? No wonder everyone's so grumpy
around here."

Bill Shorten walked into a bank to cash a cheque
When he's called over to the teller, he says, "Good morning, could you please cash this cheque for me?"

The teller replied, "It would be my pleasure sir. Could you please show me your ID?"

Bill Shorten said, "Truthfully, I didn't bring my ID with me as I didn't think there was any need to.
I'm the leader of the Labour Party of Australia."

The teller said, "Yes sir, I know who you are... but with all the regulations and monitoring of the banks
because of impostors, forgers, and requirements of the legislation etc., I must insist on seeing ID."

Shorten said, "Just ask anyone here at the bank who I am and they'll tell you. Everybody knows who I am."

The teller said, "I'm sorry, Mr Shorten, but these are the bank rules and I must follow them"

Getting a bit agitated, Shorten snapped, "C'mon woman, I'm urging you, please, to cash this cheque.."

The teller said, "Look Mr Shorten, here is an example of what we can do. One day, Tiger Woods came
into the bank without ID. To prove he was Tiger Woods, he pulled out his putter and made a beautiful
shot across the bank into a cup. With that shot we knew him to be Tiger Woods and cashed his cheque.

"Another time, Andre Agassi came in without ID. He pulled out his tennis racket and made a fabulous
shot where the tennis ball landed in my cup. With that shot we cashed his cheque. So, Mr Shorten,
what can you do to prove that it is you, and only you?"

Bill Shorten stands there thinking, and thinking, and finally says, "Honestly, my mind is a total blank..
there's nothing that comes to my mind. I can't think of a single thing. I have absolutely no idea what
to do... and I don't have a clue."

With a big smile, the teller said, "Will that be large or small notes, Mr Shorten?"
