RUN REPORT -Run 2252

So as it turns out some of our hashers are senile and can not work out computers (sorry hahaha) Anyway here I am writing this for the greater good for our hash community.

As usual the pack will gather anywhere between the 5.30 to 6pm timeslot to show up to someone's joint for their Monday night excitement. This night happened to be at Notso and Sudden Insane's place in the University capital of Douglas.

Not a bad turnout I reckon. I think everyone is starting to slowly rid themselves of this cold that's been affecting pretty much everyone since Nash hash. (Thank goodness for that!)

6pm(ish)- It was time for the runners and walkers to head off in their perspective directions. Well what a walk and run it was!! Runners were back before the walkers, which doesn't usually happen. I thought the run was good although with each street we kept running past I thought we were never going to head back home (we kept sticking to Townsville's infamous icon; Stockland shopping centre!) Anyway after almost burning out my body from the run it was time for some cold beverages and a seat for my arse.

Finally the walkers arrived back to said abode and Hercules and Cummando were doing their weekly rounds of hitting up everyone for money! I don't seem to win anyway so whatever!!

After lots of ruckus, noise and bullshit it was time the GM called the circle. Hares were called up to On On and Prick of the week; Big Wetty told us of a story that seems to be circling the same kind of message these past few weeks. Anyway It was passed to El Dringo for apparently not driving him back from some trip some time, somewhere, who knows. Anyway we were all laughing about it (Not El DRingo). It made for some good entertainment. Cant really remember what else to be honest.

I can remember the food was absolutely delicious though. I couldn't help myself by having a second serving of sanga on bread. (Carb loading after the run)The potato salad was very tasty also.

Overall a very good night, thanks so much to the hares.

10pm(ish) – I think we need to go home Shocker!! haha

Catch ya's next week,
