### RUN REPORT -Run 2253

(Lone Hare **JYZIMBEL** with irrigation specialist **ORGASM**)

Pallarenda is an old aboriginal word meaning "the end" and that just about sums up last Mondays run. It all started at the "end" of beach road, and finished at the "end" of life housing estate (the old Garden Settlement home), with no "end" to the drink-stop bucket, and no "end" to the pasta gruel. There was no "end" to the circle, and no "end" to my losing run in the raffles. And to "end" it all, there was no "end" to my usual Monday night Hash thirst.

It all seemed bonny and bright as the pack headed out into the night. Torches were a must and were few to be found, which made it difficult to see the ground. Trail was marked and clear under light, but out in the dark the runners stayed tight. We headed for Ingham and then back to the casino, saved temporarily by the drink-stop vino. Back to the beer and boasting at home, to find a poor dog without a bone.

The circle was called and all listened in, as **GM SHATTER** spruiked out with a grin. Visitors were welcomed and reports spoken loud, about the run, walk, and trailer, and the Palm Creek crowd. Our thoughts are with **MELLIE** and we all wish her well, and also with **COWBOY** who's going through hell. **EL DRINGO** is on the heal and now having fun, and showed his true "colours" in Michael Jackson(pun).

**CODS** got in strife down at the farm, and aided in breaking **CUTTLEFISH'S** arm. We hope they recover as quick as can be, and join us at Bartlett's for the night of celebrity.

**HEMROID** tried the raffles with his hands too thick, and quickly give it up as he ran out of lick. **SCISSORS** lost her title in not "shutting up", as **NOT SO** was awarded the down down cup. **KUNG POO** and **CLEVER PUNT** showed us winning form, and poor young **COYOTE UGLY** ended up with a horn. And if you're out this way for a ride or a hike, keep your eyes peeled for **SERENITY'S** bike. And to "end" this "endless" ditty, it's farewell from Sandfly City.

**THE "END"**

**ON ON SERENITY**

## Truths . .

As BUDDHA was quoted: "There are three things that cannot be easily hidden, the sun, the moon, the truth."

### Two Truths and 5 Rules of Life

#### SIMPLE TRUTH 1:

Lovers help each other undress before sex.

However, after sex, they always dress on their own.

Moral of the story -- In life, no one helps you once you're screwed.

#### SIMPLE TRUTH 2:

When a lady is pregnant, all her friends touch the stomach and say, "Congrats."

But, none of them comes up to the man - touch his penis and say, "Good job."

Moral of the story -- Hard work is rarely appreciated.

#### FIVE RULES TO REMEMBER IN LIFE:

1. Money cannot buy happiness - but it's far more comfortable to cry in a Porsche than on a bicycle.
2. Forgive your enemy - but remember the asshole's name.
3. If you help someone when they're in trouble - they will remember you when they're in trouble again.
4. Alcohol does not solve any problems - but then, neither does milk.
5. Many people are alive only because it's illegal to shoot them.

#### BONUS RULE:

Condoms do not guarantee safe sex. A friend of mine was wearing one when he was shot by the woman's husband.
