On On Pull Thru

A lawyer boarded an aeroplane in Dublin with a box of frozen crabs and asked a blonde stewardess to take care of them for him.

She took the box and promised to put it in the crew's fridge.

He advised her that he was holding her personally responsible for them staying frozen, mentioning in a very haughty manner that he was a lawyer, and proceeded to rant at her about what would happen if she let them thaw out.

Needless to say, she was annoyed by his behavior.

Shortly before landing in London, she used the intercom to announce to the entire cabin, "Would the lawyer who gave me the crabs in Dublin, please raise your hand?"

Not one hand went up.... So she took them home and ate them.

Two lessons here:

1. Lawyers aren't as smart as they think they are.
2. Blondes aren't as dumb as most folk think

When asked the similarities between

Woman 

&

Alcohol 

Shakespeare replied,

They both have the amazing quality of giving Pleasure at night and Headache in the morning !

A man was sitting on the edge of the bed, watching his wife, who was looking at herself in the mirror. Since her birthday was not far off, he asked what she'd like to have for her birthday.

"I'd like to be eight again..." she replied, still looking in the mirror.

On the morning of her birthday, he woke up early, made her a nice big bowl of Fruit Loops, and then took her to Adventure World. What a day! He put her on every ride in the park; the Death Slide, the Wall of Fear, the Screaming Roller Coaster, everything there was.

Five hours later, they staggered out of the theme park. Her head was reeling, and her stomach felt upside down. He took her to a McDonald's where he ordered her a Happy Meal with extra fries and a chocolate shake.

Then it was off to a movie with popcorn, a soda and her favourite candy, M&M's. What a fabulous adventure!

Finally, she wobbled home with her husband and collapsed into bed, exhausted.

He leaned over his wife with a big smile and lovingly

asked, "Well dear, what was it like being eight again?"

Her eyes slowly opened, and her expression suddenly changed.

"I meant my dress size, you idiot."

Moral of the story, even when a man is listening to his wife, he is still going to get it wrong.

Banging your head against a wall for one hour burns 150 calories.

Alternatively, you can walk your dog for 45 minutes, which also burns 150 calories – and is much less painful.
