RUN REPORT #2260

Pink Bits Blue Balls and Little Wettie

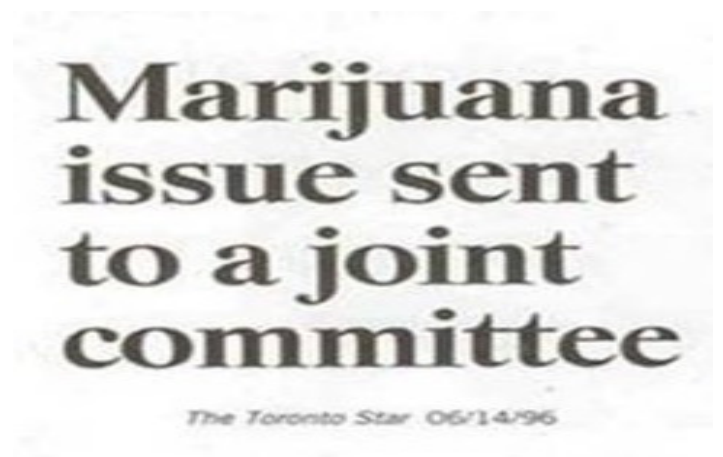

The pack slowly assembled at Pink Bits place in the back blocks of Condon, looking like it was going to be a chilly night with a lazy breeze wafting through, the trailer was there so most didn't care, anyway the pack was sent off, no idea where coz the trailer was there, the pack returned and were happy coz the trailer was there, nibbles were had and the usual bullshit ensued.

The fire was going nicely and all were happy because the trailer was there, finally the GM called the circle and waffled on with the usual bullshit but we were happy because the trailer was there, the GM gave the shirt to the JM, ffs guys lets use some imagination, but we were happy coz the trailer was there, raffles were drawn and obviously rigged coz scribe got fuck all but some lucky fuckers won shit, thankfully the trailer was there, nosh was on and yummy, then back to the trailer, then the dreaded 'last drinks' and the trailer wasn't there so we fucked off.

Good Hash night,

thanks hares

On On El'Dringo

Finnegan: "My wife has a habit of staying up until two o'clock in the morning. I can't break her of it."
Keegan: "What on earth is she doin' at that time?"
Finnegan: "Waitin' for me to come home!"

Murphy told Quinn that his wife was driving him to drink. Quinn thinks that he's very lucky because his wife makes him walk!

Me mother wanted me to be a priest. Can you imagine giving up your sex life and then once a week people come in to tell you the details of theirs?

Here's a funny fact: If you put some Viagra in a vase, it will make flowers stand up straight for a week beyond when they would normally wilt, according to one study conducted by Israeli and Australian researchers.
