### Run 2265 – BOOGER & TOOL SQUEEZER

The usual crowd rocked up at **Booger's** new abode on Redwood Drive. A lot of admiring comments about Mrs Booger's talent with the garden. **Booger** doing his best to tell everyone he was the muscle behind the brains.....not sure if anyone was convinced.

Pack set off winding around the mean streets of Kirwan. A few easements thrown in, runners and walkers shared the drink stop. Lots of gossip was enjoyed and we all made it back without getting too lost.

**Serenity** set the tone of the circle with a catchy new ditty about pimples on hashers' bottoms...something about kissing between them.....**Scissors** was again called to keep him under control. Visitors were **Big Tool Squeezer** and **Hotlips** (no hash shirt charge for her).

**Master Bates** got 150 runs again.....**Orgasm** -150 runs, **Wet Spot** -150 runs, **Shocker** - 150 runs, **Hotfar** - 650 runs, and **Self Abuse** - 1500 runs.

A bit of a health theme emerged with the 'Erectus' being given to **Master Bates** in order to encourage him to move from the trailer next week. 'Prick of the Week' went to **Blowback** for I forgot.... sorry....he is just a natural for the shirt do we really need a reason ?

**Tool Squeezer** got accolades for his VW Kombi fire box, a few more charges got going, then the returning holiday hashers got GM to drink their drinks, after which dialog descended into accusing **El Dringo** of fathering children in 1994....and GM could only manage, "Shut the fuck up, Shut the fuck up, SHUT THE FUCK UP".

Food was plentiful and tasty.

Another successful run, good night,  
On On, Pick Up

A New York attorney, representing a wealthy art collector, called and asked to speak to his client. "Paul, I have some good news and I have some bad news."

The art collector replied, "You know, I've had an awful day, Jack, so let's hear the good news first." The lawyer said, "Well, I met with your wife today, and she informed me that she has invested only \$5,000 in two very nice pictures that she thinks will bring somewhere between \$15 and \$20 million...and I think she could be right."

Paul replied enthusiastically, "Holy cow!! Well done!! My wife is a brilliant businesswoman, isn't she? You've just made my day. Now, I know I can handle the bad news. What is it?"

The lawyer replied, "The pictures are of you and your secretary."
