Run Report 2269

Well its Monday night again, which means hash was held at the infamous **Shocker** and **Orgasm's** place. The run was good, I wouldn't know about the walk or the trailer because I ran and I wasn't listening during the circle. Once I got back from the run I thought **Hercules** was cooking up a storm but **Orgasm** reassured me it was all her Bahahaha. We had a few very special guests during the circle of the 4 legged kind and the handlers all from Hounds 4 Healing ; which and who told us that our contribution would help another 4 dogs sit and pass their final test. **Batesy** gave the Prick to **Scissors** and **Oxyc-Moron** gave the Erectus to **Shocker**. Meanwhile, **Shocker** got out on the ice before the **JM** ended up back on it for forgetting the onion at his run. FFS he had 1 job hahaha. **Orgasm** even done an amazing job on nosh. Nothing really left to say but
On On
Coyote your Fucking Ugly

Paddy asks, "Mick, how did you get on at the faith healer meeting last night?"

Mick replies, "He was absolutely hopeless, just rubbish. Even the fella in the wheelchair got up and walked out !"

Bob, an undertaker, came home with a black eye.

"What happened to you?" asked his wife.

"I had a terrible day," replied Bob. "I had to go to a hotel and pick up a man who had died in his sleep. When I got there, the manager said they couldn't get him into a body bag because he had this huge erection.

Anyway, I went up and, sure enough, there was the big naked guy lying on the bed with this huge erection. So I grabbed it with both hands and tried to snap it in half."

"I see," said his wife, "That must have been awful, but how did you get the black eye?"

"Wrong room."

Raisin Bread.

A bakery owner hires a young female shop assistant who liked to wear very short skirts and thong panties.

One day a young man enters the store, glances at the shop assistant and at the loaves of bread behind the counter.

Noticing her short skirt and the location of the raisin bread, he has a brilliant idea. "I'd like some raisin bread please," the man says.

The shop assistant nods and climbs up a ladder to reach the raisin bread located on the very top shelf.

The man standing almost directly beneath her is provided with an excellent view, just as he thought.

When she descends the ladder, he decides that he had better get two loaves.

As the shop assistant retrieves the second loaf of bread, one of the other male customers notices what's going on and requests his own loaf of raisin bread.

After many trips she is tired and irritated and begins to wonder, "Why the unusual interest in the raisin bread?" Atop the ladder one more time, she looks down and glares at the men standing below. Then, she notices an elderly man standing amongst the crowd.

Thinking that she can save herself another trip, she yells at the elderly man, "Is it raisin for you too?"

"No," he stammers, - "But it's quiverin' a little."
