RUN REPORT No. 2213

HARES: IMELDA MARCOS and BLOWJOB

We celebrated the sprung of spring with a pleasant, though somewhat ambiguously marked run, from **IMELDA MARCOS'S** flourishing meadow to a drink stop among the mosquitoes and weeds of our glorious Ross River. With no **BALLSY** to assist, it was up to **BLOWJOB** to guide the keen pack around Cranbrook Heights without any shiggy or hills (the first corner caught us up a hill with a false trail). Nasty way to start, and it only got worse. There must be a world-wide shortage of chalk but the intrepid runners with trail skills beyond compare, mastered the course without loss of trail or runner. The trailer, with its entourage, pulled like a magnet once the sweaty runners returned and soon **MISS DAISY'S** till was jingling with \$50 notes, \$2 coins and tokens aplenty. **WETCHEQUES** smile grew bigger and bigger as money transformed to beer. The old Xmas root found us with a swag of birthdays to forget, including **BALLSY**, **GUMBOOT**, **NOTSO**, and **JM TEASER**. The circle congratulated them in the usual way. One particular over-achiever celebrated his 39th King of the Castle with an astonishing record of last place every time – well done **BLOWBACK**. **BENTABEAK** and **EL DRINGO** both received spurious accolades about everything and nothing and were awarded down downs by **GM**. **DUNNY** gave everyone a boring rendition on the history of the **ERECTUS** before presenting it to **CLEVER PUNT** for going on holidays. **BALLSY** spent no time in giving the POW to **DUNKIN** who was the closest person to him. **GM SERENITY** raised huge cheers from the vocal circle when he announced introducing \$4 pre-mix tinnies and a 6-token raffle prize. YIP YA!!!! Then the raffle winners enjoyed their spoils with **COYOTE F'n UGLY** scratching away, **EL DRINGO** counting his tokens, and **SCISSORS** gifting the **GM** her \$30 voucher. A great choice of nosh was heartily presented and devoured by the hungry horde and everyone swelled to brimming to end a very enjoyable evening.

On a more sombre note, **BLOWBACK** gave the latest report on **COPIT'S** welfare and we all wish her well during her recovery. He'll have to learn how to hang out lady's underwear and where the cheapest and nearest take-aways are. On-On.

JOKES:

Bulk Bill tells a Harriette she can no longer touch anything alcoholic. So, next morning, she got a divorce.

When I told Bulk Bill about my loss of memory, he made me pay in advance.

A woman says to the dentist. "I don't know which is worse, having a tooth pulled or having a baby?" The dentist replied, 'Well make up your mind, I gotta adjust the chair'.

ON THIS DAY 10 SEPT:

1894 – London taxi driver, George Smith, is the first person to be fined for drink driving.

1948 – Sir Donald Bradman scores 153 runs in his last 1st – class cricket innings, in England.

1984 – 'Discovery' returns to the Kennedy Space Centre, via Altus Air Force Base, Oklahoma.
