RUN REPORT – 2210 – Booger and Hot Lips

We all gathered at **Boogers and Hot Lips’** place, around the trailer like a pack thirsty wild animal as usual. Runners and walkers went on left down the road to somewhere, as I wouldn’t f**king know as I didn’t do the run or walk. **Catblew** got the fire going eventually, as she reckons **Booger** staked the wood wrong!!!

Runners and walkers arrived back about an hour later for more drinks and to talk more bullshit before **GM** called the circle. We had a couple of visitors, **Chappy** who was from Tassie poor bastard!! I couldn’t get close and personal enough to see if he had a scare on his shoulder or not but did enquire if he had a Winnebago!!!!!! Our other visitor **Jock-Strap** started out with TVH3 many years ago but ended up somewhere I don’t know as I wasn’t listening. (But I think he said he got out of jail, I think he means he pissed his wife off and is now Freeeeee).

POW shirt was handed over from **Clever-punt** to **Booger** the reason was not enough trail markers or some shit!!! **Commando** handed over the Erectus to **Jock- Strap** I think she thought he was a new runner, but she does get confused occasionally. Raffles were won I think **Batsie** and whoever else cause I forgot!! GM closed the circle on-on next week run is **Shatter** and **Dunkin** at Biara Crt Cranbrook. Nosh was a couple of mince dishes one warm and the other f**king hot good nosh and company.

ON-ON
Hercules.

JOKES:

What’s the difference between a goldfish and a mountain goat? One mucks around the fountain.

A tortoise had been raped by two snails.
‘Describe them’, demanded the Police.

“I can’t”, said the tortoise, “it happened too quick”.

A blind man went into a department store, picked up his guide dog by the tail and began swinging him around. A sale clerk came over and said, “Can I help you?” ‘No,’ said the blind man, ‘just having a look around’.

“Doctor, I keep thinking that I’m a wheelbarrow”.
‘Well, you must stop people pushing you around’.

When she met him in the Singles Bar, she told him she was a Libra on the cusp of Scorpio. He replied that he was Taurus with penis rising.
