RUN REPORT – 2211 – Shatter & Dunkin

Another Monday night has cum, and the pack gathered at **Shatter's** and **Dunkin's** place, but no **Sex Pistol** in sight. Some of the pack participated in a pre-lube prior to the pack heading. **Dunkin** sent the pack off to the right and then somewhere. I got so confused at which direction to go, so to avoid embarrassment I felt that on this occasion I best be at the trailer and offer support to all those slack bastards who came up with lame arse excuses not to go on the run/walk. Some of the excuses I heard, was "ohh it's too cold" or "I can't because I've had an operation on my knee", or get this, (and this was the best one) "I got tripped by some pricked at a doctor and I hurt my ankle". **Catblew** complained that there wasn't a fire, so she took it upon herself to get one going. I have to admit it, but it was the best idea of the night, despite the protests from our WHS rep **Shatter**.

Anyway, after 4 beers or so, the pack started to come back to the watering hole, and with their arrival, **Dunkin** brought out the nibbles. More bullshit flowed and then the circle was called. The **GM** handed out some awards for some over achievers and one legend. The erectus was missing and the POW was passed on to **BJ** for her part in the failure of our education system by not educating people on spelling and correct grammar. Towards the end of the circle, a magical thing happened, when a car with dots on it delivered our nosh for the hungry pack. More beer and where drunk and a few pizza's where devoured. Another successful night. Thanks to **Shatter** and **Dunkin**.

**Mary had a little lamb,
she also had a bear,
I've often seen her little lamb
but I've never seen her bare!**

Tamar Valley Hash House Harriers, UK
(Townsville's sibling's Hash??)
(TVH3's first Hash was in 1981 for which we have the founder members Chris Laurence-King 'Bloodnock', Sara Laurence-King 'Shortcut' and Simon Trehane 'Trehanrehan' to thank – from their web page, Ed).

**A leather-clad young lass named Jane,
said whilst swinging a long wooden cane:
It's far better to give
than it is to receive
and my pleasure is torture and pain.**

**There was a young Nympho named Jill
Tried a dynamite stick for a thrill
They found her v@gina in North Carolina
and bits of her tits in Brazil.**

**Roses are red.
Sex is good.
Sex is fine.
Doggy style.
Or sixty nine.
Just for fun.
Or getting paid.
Everyone loves,
Getting laid.**
