RUN #2136

"Debbie does.....Touch up & Prickless Run".

Notice was sent out that the run is still on but will be short and to use our own discretion in attending, due to the on-coming **TC DEBBIE**. TVH3 hashers are a fearless mob so a large group rocked up to a place apparently near the equator because it was so far out. (There's no stopping hashers. They'll drink/run in all conditions).

We all headed off in the same direction. It wasn't long before "**Blowback n Tyson**" toddled off back to the trailer while the rest of us walkers put in a better effort in sticking to the course. We went around-a-around-about then onto a lane way where we met up with the runners for the home run like magnets STRONGLY attracted to the booze trailer. A strong breeze helped us achieved this in record time. Circled was called - G.M. was wishing for a quick call up but the hashers had a lot to say (mainly about cyclones) like.....2nd time TVH3 had attended a run in a cyclone - "Charlie 1988", or was it "Justin 1997".....There were charges going left-right-centre. At this point G.M. was losing control as there was no stopping **Jest-kidding** She was on a roll (can see GM material in the future). She wanted to take over. Not stopping there she charged the "**Haberdashers**" on the piss poor service in getting a T-shirt. I must admit I've been waiting for several weeks to get hash stickers. Might be another charge next week. There was a lot of confusion over where next week's run is going to be. It's no wander with our brains being magnetically scrambled being soooo close to the equator. **Serenity** was jealously charged for having TOO many **Orgasm's** -

1. Religious ones (oh God).
2. Positive ones (Yes, Yes, Yes).
3. Negative ones (Oh no).
4. Fake ones (Oh SERENITY - AGAIN.)

Don't worry **T.C DEBBIE** gave Bowen a **Blow Job**. Visitors - our infamous **Haemorrhoid** returned to make sure **Mother Duck** didn't fly away with **T.C DEBBIE**. Ahhhh so touching but really he was missing some drinking mates. **FACTS:- 1914** - on this day was the 1st non-direct Blood transfusion performed. (So be aware hashers, G.M. may be after your blood). **27th May 2134** - Halley's Comet will make its perihelion (orbit) past earth. Halley will get with-in 10% of an AU (astronomical unit) - we won't be around then - but then again some of us special ones may be reincarnated so will get a chance to witness this phenomenon event).

Blowback declares he see's things we don't see. (G.M. can vouch for this) but I'm thinking the grog has got the best of him or is it some else ??????? They say - Too much sex makes ya death. Maybe - Too much wanking makes ya see things.

BIRTHDAYS:

Shocker our J.M. was in fine form. Was consumed with alcohol from sculling a huge mug and then drowning himself with the contents of the Erectus. We couldn't see his face for beer foam. He couldn't see too much after this as well. It was His Birthday, 21 with 7yrs experience he declares. (At what, not sure). At the end of the night he was "PLANKING" with DEBBIE and ended up "In the dog house now" (song). **Orgasm** said ". I told him once, I told him twice. He takes no notice of this woman's advice. So he's in the dog house tonight. **ERECTUS** was gifted to

Shocker by **Jest-kidding** thinking it would make a good pressie. **Soft-n-Creamy** celebrated her birthday somewhat early. **P.O.W** missing in action as **Streaker** was somewhere swanning it over-seas. **RAFFLES:-** G.M. extended himself this week dishing out a few extra draws to our excitement. The lucky winners were **Shocker & Cat-Blew** winning a bag each of **COLESLAW**. Nosh was chicken, ham coleslaw, etc.....complemented with a choice of a nice mustard condiment or a hot lubricant to help the food go down. Another memorable run that will be hard to forget.

Now we have - TVH3 ran cyclone DEBBIE in 2017.
