## RUN REPORT 2295

After a long awaited **COVID 19** forced break from regular hashing, it was finally time to get back to real, NOT virtual hash runs. We all signed up to attend, swearing to not have any COVID symptoms, while **BOOGER** wore a blue rubber glove, and dipped your coins into his magic potion.

The hares included, **el COVIDO** and **Big Wet Snot**, a hare from the last run before **COVID** closure. The walkers, pubber and runners set off from Corcoran street Love Palace. Apparently, it was a well-set run, but I stayed at the piss trailer so I don't care, anyways the mob of hashers returned in almost record time as the trailer was full of icy cold fresh Piss. We had new runners Angela and Mark. We had old runners including 37 years **Wettie** ,41 years **Blowback** and 65 years **Sherlock**.

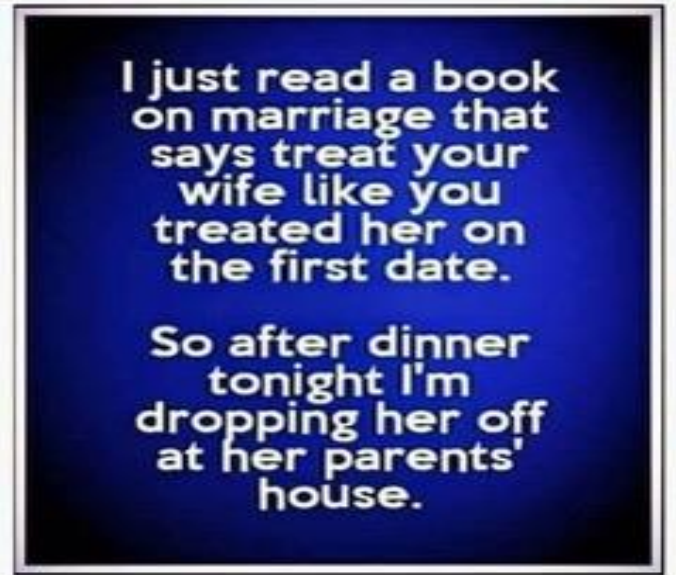

That's years of hashing, forgotten was **CodsWallop** 39 years and **Bentabollocks** with approximately 78 years of hashing. In the words of GM **Shockerholic**, "You bastards need to get a life". The **Erectus** went to new runner **Angela**. Hash nurses were congratulated and charged for helping control the corona virus.

**Touchiest** got a new thong, **Duckie** won a warm scarf, Azaria won the scratchiest, Pussy is going to Dan's and **Knob** got the tokens. Unfortunately, **Hemroid** didn't arrive with the **POW** shirt.

**Scissors** was concerned the catering was underdone, but shitloads of food and coleslaw. Free piss arrived after the circle and **BOOGER** was relieved as **B&D**, **SERENITY**, **EWOK** & **HOTFA** etc we're cashing in their 50 cent pieces after collecting from Centrelink COVID payments. Great to be

back at hashing, long live the memory that **Shocker** will go down in history as the first **GM** ever to cancel a hash run.

Miss Daisy

Put 1 gallon of bleach and 1 gallon of dish soap in the washing machine...

I disinfected the entire house in 10 minutes

As the bus stopped and it was her turn to get on, she became aware that her skirt was too tight to allow her leg to come up to the height of the first step of the bus.

Slightly embarrassed and with a quick smile to the bus driver, she reached behind her to unzip her skirt a little, thinking that this would give her enough slack to raise her leg.

She tried to take the step, only to discover that she couldn't.

So, a little more embarrassed, she once again reached behind her to unzip her skirt a little more, and for the second time, she attempted the step.

Once again, much to her annoyance, she could not raise her leg.

With a little smile to the driver, she again reached behind to unzip a little more and again was unable to take the step.

About this time, a large Texan who was standing behind her picked her up easily by the waist and placed her gently on the step of the bus.

She went ballistic and turned to the would-be Samaritan and yelled, "How dare you touch my body! I don't even know who you are!"

The Texan smiled and drawled, " Well, ma'am, normally I would agree with you, but after you unzipped my fly three times, I kinda figured we were friends."
