NEW CELEBRATION RUN DATES 2-4 OCTOBER (LONG WEEKEND)

RUN REPORT 2296 (with apologies to the Man from Snowy River)

There was movement at the station, for the word had passed around
That the hare from Bohle plains had got away
And had joined the wild bush hashers - they were worth a thousand pound
All the hashers had gathered to the fray
The tried and noted runners from the suburbs near and far
Had mustered at the homestead overnight
For the hashmen love hard running where the wild bush hares are
And the Hash Cash **Booger** sniffs the battle with delight

There was **Hemroid**, who made his pile with **Mother Duck**

There was **Cuttlefish** with his hair as white as snow
Few could run with **Wart** when his blood was fairly up
He would go wherever any man would dare to go
And **Miss Daisy** of the Overflow came down to lend a hand
No better Brewmeister ever held the reins
Never a noisy hasher could throw **Shocker** while in the circle they stand
He kept the running mob under control whilst they mustered on the Bohle plains

The mob returned to join the trailer trash and there was much merriment as the alcohol flowed. **Captain & Miss Daisy** remained sober and now we have two taxi drivers.

It was a short run but it seemed a lot longer once **Black and Decker** gave us a run report which also managed to include a traffic report and several references to a rabbit proof fence.

Charges were made and raffles were won - with a very excited **Copit** winning the Dan's voucher for **Blowback**.

Loads of rice and stews were consumed and everyone wandered off home early – some complaining about the cold!

Another good night – well done **Mother Duck (and Hemroid)**.

WELL DONE.... NOW, FLUSH THE URINAL, GO
OUTSIDE, AND TEE OFF!!

I was in the McDonald's drive-through this morning and the young lady behind me leaned on her horn because I was taking too long to place my order.

"Take the high road," I thought to myself. So when I got to the first window I paid for her order along with my own.

The cashier must have told her what I'd done, because as we moved up she leaned out her window and waved to me and mouthed "Thank you.", obviously embarrassed that I had repaid her rudeness with a kindness.

When I got to the second window I showed them both receipts and took her food too.

Now she has to go back to the end of the line & start all over.

Don't ever honk your horn at old people.
