RUN REOPRT 2300

Hmmm what can I say... I had a long of time to ponder the words I would use in the trash this week...

Except I forgot that I had to write it until Friday night when I was a few drinks in... so here it goes.

I'll keep it short...

We all arrived at the Little People's hash in Hobbit Park.

A large crowd gathered to celebrate the short hashers amongst us. There were small chairs and big personalities.

Short stories and tall tales told by some. Along with larger than life charges and itty-bitty ditties in the circle

Erectus went to Somu, POW shirt to No Knob

Raffle had some big and small numbers called with some tall and short winners.

Nosh was amazing and the queue was large, but it was only a short wait.

Well that's the long and the short of it. If you want to know more, you should have been there.
