## RUN REOPRT 2304

Well, a smaller group of hashers, thanks to bloody Covid, assembled at Mr. **Booger's** place.

A return to the pack by **Wart**, who is not only running again but annoying the crap out of anyone he can.

The runners were given a map while all the energy went into fucking around the walkers with false trails, checks and hold checks.

Mr. **Booger** and Mr. **Wetcheques** obviously had a 'back to childhood' play with chalk! Apparently, there was a drink stop at **Warts**???. Still looking!

So, we all pissed on **Warts** ute instead.

Eventually all were back at Mr. **Booger's** place, along with a giggling little round fella on a bike who had followed us the whole walk to make sure that we didn't get lost.

Yeah right, best laugh he's had in years.

Circle up! down downs to the 'fat tick' on the bike, the whingeing short arse Harriette, the single Collingwood supporter (loser) and the single Cowboys supporter (winner!).

Run report by **Mother Duck** who sounded like she ran further than any of the others.

A very detailed Walk report by **Ange**, (blimey, she talks as much as her old man!) Witty remarks as usual from **Sherlock** along with an 'over achiever' mention for **Rooster**.

No POW shirt, MIA. Erectus passed from **Sumu** along with an entertaining spiel about why **Pink Bits** deserved it. Raffles won by 'not me' so who cares? Still looking for Purple ticket 08?

Nosh served up, plenty of it and very tasty, well done Mr. **Booger** (move over Jamie Oliver).

Far too many drinks consumed by far too few hashers and ON ON till next week.

Scissors

### EXERCISE FOR PEOPLE OVER 60

Begin by standing on a comfortable surface, where you have plenty of room at each side.

With a 5-lb potato bag in each hand, extend your arms straight out from your sides and hold them there as long as you can. Try to reach a full minute, and then relax.

Each day you'll find that you can hold this position for just a bit longer.

After a couple of weeks, move up to 10-lb potato bags. Then try 50-lb potato bags and eventually try to get to where you can lift a 100-lb potato bag in each hand and hold your arms straight for more than a full minute. (I'm at this level).

After you feel confident at that level, put a potato in each bag.

'HIS EYESIGHT ISN'T TOO GOOD— BUT HE'S USUALLY IN THE RIGHT PLACE AT THE RIGHT TIME!'

APPLE DOES IT AGAIN !

Apple computer announced today that it has developed a computer chip that can store and play Hi Fi music in women's Breast implants.

The **iTit** will cost between \$499 and \$699.00 depending on speaker size.

This is considered to be a major breakthrough because women have always complained about men staring at their tits and not listening to them.

When I was in school I was told:  
PUSSY was a CAT  
SEX meant GENDER  
BITCH was a FEMALE DOG  
DICK was a NAME  
BANG was a SOUND  
RUBBER was an ERASER  
ASS was an ANIMAL  
SCREW was just a TOOL  
HEAD meant a PART OF BODY  
BALLS meant a ROUND TOY  
NUTS meant DRY FRUIT  
69 was just a NUMBER  
& Then I came across all you dirty fuckers and my education was ruined.
