RUN REOPRT 2308

Upon arriving (not late) went for a Hash walk with the ticket master, **Hercules**, Hash talk, then return to Hash Trailer Canadian Club had mysteriously turned into Hash Water. As the Walkers and Runners returned to full strength cheap drinks the Water had turned back into CC. More Hash talk then Circle up. Don't forget your Pinnacle's.....I mean Pannikin's for your Covid safe down down's.

wear it
pink

Prick of the week went from **Bang Cock** to **El Dringo** who after a very long, winded explanation of why someone else deserved **POW** for NOT losing his wallet but inciting violence at the Mackay away Run therefore **Slash** got it.

The **Erectus** went from **Pink Bits** to **Blue Balls** for not knowing the correct word for a metal cup used by Australians for drinking tea and Down Downs.

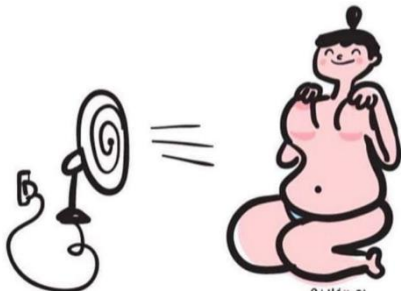

During the circle Donning towelling footy gear was the old as fuk **Benta Beak** who did a little dance.

And then the ever interrupting **Reefa** with his disgust with the breachment of the Covid Social Distancing plan on the Maggie Island sea link ferry. How the fuk he got on his bike I do not know.

As usual at **HotFa's** and **Tyson's** it was great Nosh followed by **Tyson's** 70th Birthday Cake, shared by all.

Good Times

On On Pink Bits

A family is at the dinner table. The son asks the father: "Dad, how many kinds of boobs are there?"

The father, surprised, answers:

"Well, son, a woman goes through three phases. In her 20s, a woman's breasts are like melons, round and firm. In her 30s and 40s, they are like pears, still nice, hanging a bit. After 50, they are like onions."

"Onions?" the son asks.

"Yes. You see them and they make you cry."

This infuriated his wife and daughter. The daughter asks: "Mom, how many different kinds of willies are there?"

The mother smiles and says, "Well, dear, a man goes through three phases also. In his 20s, his willy is like an oak tree, mighty and hard. In his 30s and 40s, it's like a birch, flexible but reliable. After his 50s, it's like a Christmas tree."

"A Christmas tree?" the daughter asks. "Yes, dead from the root up and the balls are just for decoration."

Big Boobs 101:

- yes people touch them by accident
- no you don't need to apologise
- boob sweat is a thing
- I don't care what day you've had if you haven't been constricted by underwire
- yes taking the bra off at the end of the day is better than pretty much everything
- you get bonus points for eye contact
- yes food and daily detritus will be found in the cleavage area and beyond
- big boobed girl hugs are awesomeness
- bras cost alot so if you are lucky enough to see it - compliment it before insisting on its removal
- they aren't dog squeeze toys - go gently

Bra sizes:

- A - almost boobs
- B - barely boobs
- C - can't complain
- D - dang
- DD - double dang
- E - enormous
- F - fake
- G - get a reduction
- H - help me I've fallen over and can't get up
