Eldringo and **Knickaless** sent everyone off via Corcoran St to all the other streets around the area. Well 1st night for me taking the trailer to a run full of the good stuff (piss)., No I ain't the Brewmeister. Just helping out. No Erectus, missing in action. POW shirt went to **Catblew**, I forgot what for as I wasn't listening.

Lots of down downs were given once again wasn't listening. But I do remember a couple of things. First thing was I met **Eldringo's** girlfriend **Carrie**. 2nd thing was I was told I was the bloody scribe for this week. Any how great company, run and nosh. And thanks **Tyson** and **Serenity** for helping with the trailer. On On till next week.

Australian policy Explained

Sometime this year, we taxpayers may again receive another 'Economic Stimulus' payment. This is indeed a very exciting program, and I'll explain it by using a Q & A format:

Q. What is an 'Economic Stimulus' payment? A. It is money that the federal government will send to taxpayers. Q. Where will the government get this money? A. From taxpayers. Q. So the government is giving me back my own money? A. Only a smidgen of it. Q. What is the purpose of this payment? A. The plan is for you to use the money to purchase a High-definition TV set, thus stimulating the economy. Q. But isn't that stimulating the economy of China? A. Shut up. Below is some helpful advice on how to best help the Australian Economy by spending your stimulus cheque wisely: * If you spend the stimulus money at K-Mart, Big W, Target or the host of \$2 shops we have, the money will go to China, Vietnam or Sri Lanka ... * If you spend it on petrol, your money will go to the Arabs. * If you purchase a computer, it will go to India, Taiwan or China ... * If you purchase fruit and vegetables, it will go to China, India, Peru....

* If you buy an efficient car, it will go to Japan or Korea. * If you purchase useless stuff, it will go to Taiwan. * If you pay your credit cards off, or buy stock, it will go to management bonuses and they will hide it offshore. Instead, keep the money in Australia by: 1) Spending it at garage sales, or 2) Going to footy games, or 3) Spending it on prostitutes, or 4) Beer or 5) Tattoos. (These are just about the only Australian businesses still operating in OZ.) Conclusion: Go to a footy game with a tattooed prostitute that you met at a garage sale and drink beer all day! No need to thank me, I'm just glad I could be of help!!
