## RUN REOPRT 2311

Arrived at **Bangkok** and **Hotbox's** abode which was a virtual Flemington racetrack, great atmosphere. A Hash Stakes video was on display, very very good, you really need to 'get a life' **Bangkok**, far too much spare time! **Booger** and **Scissors** set up the bookies table and they were off, well, they usually are anyway. **Bulk Bill** led the run pack with his 'prostate detector' (think you had to be there) to ward off any Covid cases that may have been lingering about.

**Little Wetty** led the walkers, astray at times, in very humid conditions, but all returned, sweating profusely. (Betting) Circle up, walk and run reports given, down downs to various hashers for bullshit reasons, as usual. **Bentabeak** gave us the name of an amazing new antihistamine drug called Hysterectomy.

POW shirt MIA, Erectus passed from **Dunkin** to **Bulk Bill**, raffles drawn and won by someone. **Captain** gave us a Hash Cup commentary, written by **Dunkin**, well done by both hashers. **Shatter** broke a chair; he won't be allowed back! Nosh up, plenty of bloody tasty tucker, bad move **Bangkok** and **Hotbox**, we will all expect nothing less from now on! Should have started with Vegemite sandwiches (ask **Rooster**) you can only go up from there.

On On SCISSORS
