From this amount \$20 will be for the run registration with the \$10.00 going towards our charity of choice. We encourage you to fund raise the extra money from the general public prior to the run. Should you raise more money than the \$10.00 this will be added to the charity pool. The club will contribute dollar for dollar any amount raised for the charity.

RUN REOPRT 2312

Arrived at Ewok, Streaker and Clever Punt's combined household hash night, there was an epic turn up of 54 members some of which new members had never met before! There was a Trump Hash Attire sell out table in operation with Hotbox scoring a cool Hawaiian Hash shirt.

6 pm arrived Clever Punt briefed the runners, walkers, trailer security and pub attendees of the location for their starts, bar stools and trailer security spots and they were off!

Serenity led the runners off, BJ led the walkers off, Hemroid led the pub team out not as leader but as the thirstiest contender, and the trailer group took up sentry positions in all round defence of the booze! The drink stop was universally panned as mosquito infested crocodile country but the dry ginger was good! After the drink stop Little Wetty was overheard commenting on his ability to blow as in "I can't handle big horns they're too hard to blow, I prefer the smaller horns I can blow them" we weren't sure if he was offering or not, but no one wanted to reveal to qualify!

Everyone made it back to the trailer for pre-dinner entrees and a check out of Clever Punt's ingenious pokey conversion. We had a trailer report from Scrubber who had many companions on security, we had a report on the Jubilee Bowls Club Bar by Sudden Insane, BND gave us a detailed run report and Big Wetty made some shit up about a walk he didn't even do!

The POW was handed to Shatter for his Hospital Parking Infringements, Erectus was gleefully handed over to Shocker from Bulk Bill for physical intimidation on the run.

Raffles were as follows: 3rd prize Tyson (a bit like Collingwood in the AFL!) 2nd went to BND and 1st Ewok (definitely worked on the Biden Election Campaign and knows how to rig the game!)

There were numerous charges against all the COVID 19 Hermits, Bulk Bill (birthday boy) and Little Wetty (set up by Suzie Wong who called him in the circle) tsk tsk rookie error phone to silent next time.

The dinner was awesome Ewok's slow cooked steak, your choice of chilli or plain onions, all flavours of bread a delicious Mango chutney and cheese served by Ewok and Streaker (Clever Punt still showing off his pokey conversion)

Great night great hosts On On see you next week,
HOTBOX

A man went into a supermarket and tried to buy half a cauliflower. The very young greens-produce assistant told him that they sold only whole cauliflowers. The man persisted and asked to see the manager, and the boy went to find him.

Walking into the stock room, the boy said to his manager, "Some wanker out there wants to buy half a cauliflower." As he finished his sentence, he turned to find the customer standing right behind him, so he added, "And this gentleman has kindly offered to buy the other half."

The manager approved the deal, and the man went on his way. Later the manager said to the boy, "I was impressed with the way you got yourself out of that situation earlier. We like people here who think on their feet. Where are you from, son?"

"Cardiff, sir," the boy replied. "Why did you leave Cardiff?" the manager asked.

The boy said, "Sir, there's nothing there but prostitutes and rugby players."

"Really?" said the manager. "My wife is from Cardiff."

"You're kidding?" replied the boy. "What position did she play?"
