RUN REOPRT 2316

Run 2316 Red Dress & Christmas Party

A gathering @ the Herbet Hotel, Where I've never seen them looking so bloody Rediculous as you looked this evening, I've never seen you shine so bright.

I've never seen so many men ask you if your tits were real, they're looking for a little slap & tickle, given half the chance. & I have never seen that dress your wearing, you must have brought it @ Vinnies with your hair that gets in your eyes & beer, I got myself blind, the Lady in Red is on the piss with me, Drink for Drink There's nobody there, it;s just you & me, you silly old Moo.

Walkers walked down thru' town & across the bridge, where lots of piccies were taken.

The runners headed for the hills & some walkers headed for the pub.

Back thru' town & up the hill, where the mascara began to run & a piss stop ensued near the Cathedral. On! On! back to the Herbert where the piss & Bullshit flowed.

Ingolf served up sumptuous grub & then more piss & Down Downs.

Paul the Publican donated \$200 to our Charity. Thanks mate!.

Raffles were won, **Ewok** handed Erectus to Phuck nose & Prick went to

Septic for GM & a damn good time was had by all & **Shatter's** next weeks Hare.

On! On! Lil' Wetty

GOD'S PLAN FOR AGEING

Most seniors never get enough exercise.. In His wisdom God decreed that seniors become forgetful so they would have to search for their glasses, keys and other things thus doing more walking. And God looked down and saw that it was good.

Then God saw there was another need. In His wisdom He made seniors lose coordination so they would drop things requiring them to bend, reach & stretch. And God looked down and saw that it was good.

Then God considered the function of bladders and decided seniors would have additional calls of nature requiring more trips to the bathroom, thus providing more exercise. God looked down and saw that it was good.

So if you find as you age, you are getting up and down more, remember it's God's will. It is all in your best interest even though you mutter under your breath.

Nine Important Facts To Remember As We Grow Older

#9 Death is the number 1 killer in the world.

#8 Life is sexually transmitted.

#7 Good health is merely the slowest possible rate at which one can die.

#6 Men have 2 motivations: hunger and hanky panky, and they can't tell them apart. If you see a gleam in his eyes, make him a sandwich.

#5 Give a person a fish and you feed them for a day. Teach a person to use the Internet and they won't bother you for weeks, months, maybe years.

#4 Health nuts are going to feel stupid someday, lying in the hospital, dying of nothing.

#3 All of us could take a lesson from the weather. It pays no attention to criticism.

#2 In the 60's, people took acid to make the world weird. Now the world is weird, and people take Prozac to make it normal.

#1 Life is like a jar of jalapeno peppers. What you do today may be a burning issue tomorrow.

I tried to come up with a carpentry pun that woodwork. I think I nailed it but nobody saw it.

HOW MEN BBQ

- Woman buys the food
- Woman makes the salad
- Woman get the tongs and meat and brings it to the man
- Man puts meat on the grill
- Woman goes inside and gets the table set
- Woman tells man that the meat is burning
- Man deals with the burning meat and drinks another beer
- Man takes meat off of the grill and hands it to the woman
- Woman serves the food and cleans all of the dishes
- Everyone tells the man what a great job he did with the BBQ
- Man makes a point to tell everyone that he gave her the night off
- Man is confused as to why she is giving him a dirty look.
