RUN REPORT 2317

A last effort to get a venue for this run.

Shatter offered his abode and a reasonable pack turned up for the night. Uneventful good walk around the streets and the run to who knows where?

A balmy night where the pack gathered and talked bullshit until the circle. **GM** was in fine form handing out down downs. The **Erectus** was handed on from **Carrie** to **Shatter** for being persistent in wanting to carry it. The **Prick of the Weak** didn't show up and the red bike ended up in the front tree.

The seagulls hit the food and cleaned up the spread at the usual rate of knots. Good evening had by all. On on to next weeks pool party.

Cheers
Dammit

The Queen & Dolly Go To Heaven !!

Queen Elizabeth and Dolly Parton die on the same day and they both go before an Angel to find out if they'll be admitted to Heaven.

Unfortunately, there's only one space left that day, so the Angel must decide which of them gets in. The Angel asks Dolly if there's some particular reason why she should go to Heaven.

Dolly takes off her top and says, 'Look at these, they're the most perfect breasts God ever created, and I'm sure it will please God to be able to see them every day, for eternity.'

The Angel thanks Dolly, and asks Her Majesty the same question.

The Queen takes a bottle of Perrier out of her purse, drinks it down.

Then, wees into a toilet and pulls the lever. The Angel says, 'OK, your Majesty, you may go in.'

Dolly is outraged and asks, 'What was that all about?'

I show you two of God's own perfect creations and you turn me down - but "She" wees into a toilet and she gets in!

Would you explain that to me?'

'Sorry, Dolly,' says the Angel, but even in Heaven, a Royal Flush beats a Pair - no matter how big they are.

Three men died on Christmas Eve and were met by Saint Peter at the pearly gates. In honour of this holy season' Saint Peter said, 'You must each possess something that symbolizes Christmas to get into heaven.'

The Englishman fumbled through his pockets and pulled out a lighter. He flicked it on. 'It's a candle', he said.

'You may pass through the pearly gates' Saint Peter said. The Scotsman reached into his pocket and pulled out a set of keys. He shook them and said, 'They're bells.'

Saint Peter said 'You may pass through the pearly gates'.

The Irishman started searching desperately through his pockets and finally pulled out a pair of women's panties.

St. Peter looked at the man with a raised eyebrow and asked, 'And just what do those symbolize?'

The Irishman replied, 'These are Carols.'

And So The Christmas Season Begins....

Because..."sometmes you just need...to mount a upright piano to your motorcycle and have your fat friend get naked and play music while you ride around the city"
