RUN REPORT 2318

6pm on a hot n humid Monday night the mob had assembled to run, walk n look after the trailer. But alas it wasn't normal hash, it was aqua-hash. The trailer was locked and everyone adjourned to the pool to frolic and have some fun, having Shots n playing with Santa's sausage whilst dressed in oversized undie's n Herc's discarded bra's.

Circle was called, **Duncan** got the **P.O.W.** for some innocent comment made to **Masterbates**. **Slash** got the **Erectus** for leaving his things behind. **Hotbox** was apparently running a temperature so ended in the pool a few times to cool her down.

The charges were dealt out aplenty, raffles were drawn (black tickets don't matter if I don't have them) and prizes claimed. Dinner was served and more fluid drunk to keep hydrated. Santa's Little helpers (**Gash** and **Tool squeezer**) did a great job. One more run for 2020 and then hopefully a better 2021 for all.

THE ITALIAN TEST

I was a very happy man. My wonderful Italian girlfriend and I had been dating for over a year, and so we decided to get married. There was only one little thing bothering me. It was her beautiful younger sister.

My prospective sister-in-law was twenty-two, wore very tight miniskirts, and generally was bra-less. She would regularly bend down when she was near me, and I always got more than a nice view. It had to be deliberate because she never did it when she was near anyone else.

One day her 'little' sister called and asked me to come over to check the wedding invitations. She was alone when I arrived, and she whispered to me that she had feelings and desires for me that she couldn't overcome. She told me that she wanted me just once before I got married and committed my life to her sister.

Well, I was in total shock, and couldn't say a word.

She said, "I'm going upstairs to my bedroom, and if you want one last wild fling, just come up and get me." I was stunned and frozen in shock as I watched her go up the stairs. I stood there for a moment, then turned and made a beeline straight to the front door. I opened the door and headed straight towards my car.

Lo and behold, my entire future family was standing outside, all clapping! With tears in his eyes, my father-in-law to be put down his shotgun, and hugged me and said, "We are very happy that you have passed our little test. We couldn't ask for a better man for our daughter. Welcome to the family."

The moral of this story: Always keep your condoms in your car!

Hard working woman

A young woman walks into an accountant's office and tells him that she needs to file her tax returns.

The accountant says, 'Before we begin, I'll need to ask you a few questions.'

He gets her name, address etc. and then asks, 'What's your occupation?'

'I'm a prostitute', she says.

The accountant is taken aback and says, 'That's too gross. Let's try to re-phrase that.'

The woman says, 'OK, I'm a high-end call girl'.

'No, that still won't work. Need something more acceptable.' They both think for a minute; then the woman says, 'I'm an elite poultry farmer.'

The accountant asks, 'What does poultry farming have to do with being a prostitute?'

'Well, I raised a thousand cocks last year.'

Account says, 'brilliant, poultry farmer it is and agricultural income is tax-free.'
