RUN REPORT 2319

Hares : Masterbates and Booger

Well, as the rains lifted so did our spirits after **Masterbates** handed **Serenity** the map of the run. Maybe this should have been a proxy Lilliput run, being the smallest pack and the shortest run (excluding the wet and wild aquarobics from last week). The four-pack hustled and shuffled through the grime of Kirwan to end up at a drink stop where one and all could be heard to whisper – “**how’s the serenity**”.

Back at the trailer, talk was all about santa and fatbuilding and “when are the rains coming”. **Hercules** provided the theme for the run with her only once reversing manouvre to daintily set up the trailer for later punishment. A thirsty but small crowd slowly built and in no time the till started ticking over, and over, and over.... **GM Shocker** had trouble finding his sweet juice under all the ice because of some wrestling injury from the previous day (yeah! Wrestling with a mate – **Orgasm**). Newcomer **Jason** hobbled in on a blown fetlock, **Masterbates** brandished his fashionable ankle guard, and **Booger** hobbled around as if Mike Tyson had given him a kidney punch, and **Blowback** had every ailment known to man to talk about (poor **Copit**). The circle was called and it was obvious **GM Shocker** needed a trip to spec savers after calling wrong names for right hashers. After the usual preliminaries, charges were called and **Blowback** proceeded to send off the waiting scullers with a ditty – just another mix-up in the normal life of a blowie. Over-achievers were well rewarded with their new body-hugging outfits and was topped by **Sherlock** receiving an award for outliving the world. Good on you **Sherlock**. The raffles almost provoked a riot with all winners having their fingers in the proverbial “bucket”. Kirwan CIB are now investigating. After some helpful advice from **Big Wetty**, the **GM** appointed **Serenity** as scribe and proceeded to announce full moon arrangements for the end of 2020. Look out (and up) Riverway Tavern this (or next) Wednesday.

Nosh was laid out like a king’s feast, with tender loins of roadkill covered in luscious sauce, followed by the plumpest plum pudding dripping in the sweetest custard ever made. More fat talk after eating, more drinking after the fat talk, and more fat people leaving after what was a real “fat” night. If you didn’t enjoy it, you weren’t there.

ON ON
SERENITY

Two blokes were having a discussion in the pub.....

“Did you know that Lions have sex 15 times a day?”
said Don.

“Shit” said Doug “I’ve just gone and joined bloody Rotary!”

Boy, if this doesn't hit the nail on the head, I don't know what does!

Two patients limp into two different medical clinics with the same complaint.

Both have trouble walking and appear to require a hip replacement.

The FIRST patient is examined within the hour, is x-rayed the same day and has a time booked for surgery the following week.

The SECOND sees his family doctor after waiting 3 weeks for an appointment, then waits 8 weeks to see a specialist, then gets an x-ray, which isn't reviewed for another week and finally has his surgery scheduled for 6 months from then.

Why the different treatment for the two patients?

The FIRST is a Golden Retriever.

The SECOND is a Senior Citizen.
Next time take me to a vet!
