RUN REPORT 2320

Hares: Hoffa & Tyson

The trailer struggled to make its way into **Tyson** and **Hoffa's** sodden backyard as the pack gathered for another Monday night of frivolity. **Tyson** decided it was far easier to take pictures from his car then to lean out the door marking chalk so he distributed 9 photos to the trail master saying that each runner would be given a photo to lead the pack to the next part of the run. **Tyson** had obviously forgotten that we have not had more than 9 runners on a Monday night since 2010.

Anyway, as usual I did neither the run nor the walk so, I don't know much about the trail, but I believe there was a photo of a naked women in one of the envelopes who looked like she was **Hot 4 Male**, so the run must have gone towards Carmel St Garbutt. After the run the pack had a few rehydrating beverages before the circle was called. Plenty of charges were given including returnee **Ballsy**. **Ballsy** for GM. The **Erectus** was still away on holidays and **Duncan** forgot she had the **POW** shirt as she has left it outside at home and it has apparently shrunk 6 sizes with all the rain Toomulla has received in the past week. **Serenity** won a bike wheel in the raffle which was lucky as he said he does not have the skills to ride a unicycle, and **Scissors** won the Uncle Dan's voucher.

Nosh was served to the pack with a choice of Chilli Con Carne and also for the vegetarians a Chilli Non Carne, as well as some well-done potatoes. Needed to show **Ballsy** how spuds should be cooked. The pack then gradually headed off home after another great night of Hashing.

One evening, a guy was at home watching late night TV and eating peanuts. He'd toss them in the air, tilt his head and then catch them in his mouth.

As he was catching one, his wife asked him a question and, as he turned to answer her, the peanut fell and lodged in his ear.

He and his wife tried and tried to dig it out but succeeded in only pushing it in deeper. After unsuccessfully trying for quite some time, they became worried and decided to drive to the hospital for help.

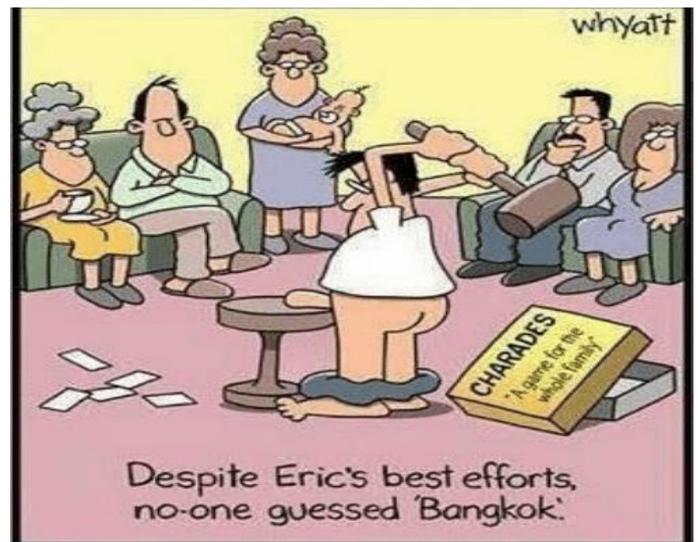

As they were ready to go out, their teenaged daughter came home with her date. After being told of the problem, their daughter's' date said he was sure he could get the peanut out.

The young man told the father to sit down, then proceeded to shove two fingers up the poor fellow's nose and told him to blow hard.

When the father blew, the peanut flew out of his ear! Mother and daughter jumped and laughed for joy. The young man insisted that it really was nothing.

Once he'd gone home and their daughter had gone off to bed, mother turned to father and said, "That's so wonderful! Isn't he smart? What do you think he's going to be when he grows older?"

Father muttered, "From the smell of his fingers, our son-in-law.
