RUN REPORT 2322

It was great to see over 30 hashers at virgin hash site in Burt St, given the showery weather and soggy terrain. **BJ** set trail and was filling in for **Rammy** who, according to **Captain**, has **Toevd21** disease. I didn't do the run, but apparently there was a drink stop at Aplins Weir. Still no **Erectus**. **Dunkin** gave the shirt to **Benta**, suggesting that the double D cups might cushion his falls (drunk again?). Full marks to **SC** and **BJ** for putting on a great night given the lousy rainy conditions. Us vegetarians appreciated the great Caesar salad. Also, thanks to **Joan** for hosting us and putting up with all the hash shit. Like the previous run at our place, we successfully avoided the rain. The Hash gods were shining.

On on,
Tyson

I hate when people forward bogus warnings... this one is real, and important!! So please send this warning to everyone on your e-mail list. If someone comes to your front door saying they are conducting a survey on deer ticks and asks you to take your clothes off and dance around with your arms up, DO NOT DO IT!! IT IS A SCAM; they only want to see you naked. I wish I'd gotten this yesterday; I feel so stupid now.....

COVID-19

HOME COVID TEST

1. Open a can of beer and try to smell it.
2. If you can smell the beer, drink it to see if you can taste it.
3. If you can taste it and smell it, this confirms you don't have COVID

Last night, I did the test 19 times and all were negative. Tonight, I am going to do the test again because this morning I woke up with a headache and feeling like I'm coming down with something.

I am so nervous.
