RUN REPORT 2326

Hi all.

As you know, pussies are computer illiterate majoring in chasing mice's around an iPad. Therefore, I have enlisted the help of Kung who is king of many things.

The grand mattress made my life much easier by suggesting I take a photo of her minutes. This was even beyond me and minutes turned into hours.

So were to begin. The run left us hot and wet, but not the nice way...

Slash got the walkers lost, if only they had listened to BJ

Back at the trailer, the beer seemed strangely more expensive, silver crossed palms unheard of in the 21st century. GM Betty called circle, POW went to Slash for his navigation skills

and he soon discovered how hot and wet the run was. Blowback was charged for being a dick head but GM refrained from making all dickheads drink. Not enough piss in the trailer.

The erectus was MIA.

Booger, Blue balls and Benta celebrated their birthdays with an ice-cold Tun.

Mmmmm.

Blowback bioed Sherlock AGAIN, their bromance shows no sign of fading.

Raffle was drawn and once again I ended up empty handed.

Nosh was served by hot lips and eaten by all then it was on on till next we meet.

More information to come!

I said, "I love you so much. I could never live without you."

My girlfriend giggled and asked, "Is that you talking or the beer?"

I said, "It's me talking to the beer..."

Man: "Honey, on this Valentine's Day, I want to tell you something... I'm not rich like Jack. I don't have a mansion like Russell. I don't have a Porsche like Martin. But I do love you and I want to marry you."

Woman: "Oh, dear, I love you too! What was that you said about Martin?"

What did one boat say to the other?
"Are you up for a little row-mance?"

This man was really lonely, so he posted an ad on a popular website. The ad said, simply: "Wife wanted." He was surprised the next morning to find he had over a hundred replies in his inbox.

Unfortunately, they all said the same thing: "You can have mine."

Riddle:

Your bike crashed into the dark forest and suddenly you saw and deadly panther and jaguar.

You got just one bullet.

What is your escape strategy?

Simple, you must shoot the panther and drive off in the jaguar (car).
