RUN REPORT 2334

HARES : COPIT, BLOWBACK, SHATTER

MR. MILITARY wants you!! We arrive at SHATTER'S sedate domain to be confronted with BLOWBACK handing out secret plans for counter-terrorism operations in Cranbrook. Could you believe it. On arrival we all received an encrypted map with top secret code that could only be deciphered using sweat and tears. So, being the subordinate running pack we headed out into the unknown, looking for the unknown, and not even knowing where we were going. Holy sheit!! What's going on? Well, being of superior intelligence and sublimely fit, the runners made short work of an enormous challenge. Back at base the beers were cold and the gossip began, about what we really found. "HASTY" f...n "HASTY". What sort of operation ends up with a word that sounds like something you eat at smoko. Good one BLOWBACK.

Now that we're all hyped up and swilling piss around the trailer, the walkers arrive to report that they had found sweet FA. Obviously they were used as a diversion to cover for the runners, who actually thought that the walkers were lost. Anyway, packet rations were strewn about for all to devour before the dreaded circle was called. And oh what a circle!! SHATTER'S name was called more times than Phar Lap's in the Melbourne Cup. He was desperately trying to prepare food for the drooling hordes but was repeatedly called up for a down down for how many reasons I can't remember. The big "WET" was called out for "RACISM" remarks about SCISSOR'S offspring. And BLOWBACK received a DOWN DOWN for dis-orientation. The raffles were drawn with SUZY WONG, SLASH, and KUNG POO all complicit in the conspiracy.

SHATTER and COPIT finally bring down the nosh, and what a feed it was. Vegetarians to the right and others to the left. All good chewing and plenty for seconds.

And if you are travelling about, keep a keen lookout for SERENITY'S orange bike which seems to have disappeared AGAIN. It may have been COVID, and it may have been an inside job, but I'm positive WART had nothing to do with it.

So, mask up for the next week, and let's see what craziness awaits the lucky thirty on CAPTAIN'S list when again we'll be face to face.
