RUN REPORT 2337

The hash crew travelled out of town to the distant suburb of Wulguru to El Dringo and Think Big's country abode.

The runners ascended through the wide spread streets and up the hills. With no drink stop the end of the run was so close yet so far away for a hard-earned drink. (We passed one of the pubs on the way just to tease us.) This time of the year; torches come in handy as it gets harder to see trail on the road.

The pack formed as one as both the runners, walkers and some lazy bastards who stayed back come together. There were lots of charges from the previous weekend as it was the Celebration run out at Toombys.

SERENITY lost his infamous orange bike over the weekend and by golly gosh it magically reappeared on Monday night. (gee I wonder who that could have been? MISS DAISY, CRAPPA?) I recall one of the usual raffle winners in SERENITY, who won himself a blow-up girlfriend. MISS DAISY handed the POW over to EL DRINGO for some after work related business shit, can't remember. The ERECTUS was passed onto the new girl (sorry can't remember your name).

Nosh was great, thanks to the hares.

On On Orgasm

1. What do you call a boomerang that won't come back?

A stick.

2. What does a cloud wear under his raincoat?

Thunderwear.

3. Two pickles fell out of a jar onto the floor. What did one say to the other?

Dill with it.

4. What time is it when the clock strikes 13?

Time to get a new clock.

5. How does a cucumber become a pickle?

It goes through a jarring experience.

6. What did one toilet say to the other?

You look a bit flushed.

7. What do you think of that new diner on the moon?

Food was good, but there really wasn't much atmosphere.

8. Why did the dinosaur cross the road?

Because the chicken wasn't born yet.

9. Why can't Elsa from Frozen have a balloon?

Because she will "let it go, let it go."
