RUN REPORT 2349

The pack assembled at Think Big & El Dringo's new abode in Currajong Heights to check it out. Looks pretty cool eh! We were back to the usual pack numbers, no restrictions now, yippee. I think we got around 53. We welcomed a visitor Pimp and some returning "old" hashers, in no particular order– Dammit, Cods, Crappa, Coyote Fugly and Dr Suess. Not forgetting Nightfill Hooker we haven't seen for ages. Dringo sent off the runners, walkers, pub crew whilst the usual keg minders stayed back doing their diligent job. After the thirsty packs returned and a few beers, wines or whatever were consumed our GM called the circle (well fancy that).

The POW shirt was noticeably absent, but Slash was able to pass on the Erectus to Blowback, something about Peddlars stuff up from the week before.

Award were presented to Dr Suess 100 runs, Dammit 700 runs and Tyson 850 The usual charges from the pack. Can only remember a few, dunno why? Doolittle for being a media tart with no hash shirt. El Dringo for his Chinese spy container in the back yard – what intelligence does our hash pack have... Serenity called a charge for F day, no not F**K day, so Fresh n Filthy got drinks. Scissors charged Wart for the cartoon he brought along last week, she got out her hockey stick, so don't mess with that Lilliput Harriette.

Raffles were drawn, the usual complaints about not winning. Sum K**t reminded the pack that you have to "actually buy tickets" as he collected the big prize.

Nosh was served, delicious Pee soup and Pee and ham soup with croutons, rolls and quiche too. You won't believe it, but some even returned for seconds, thirds....

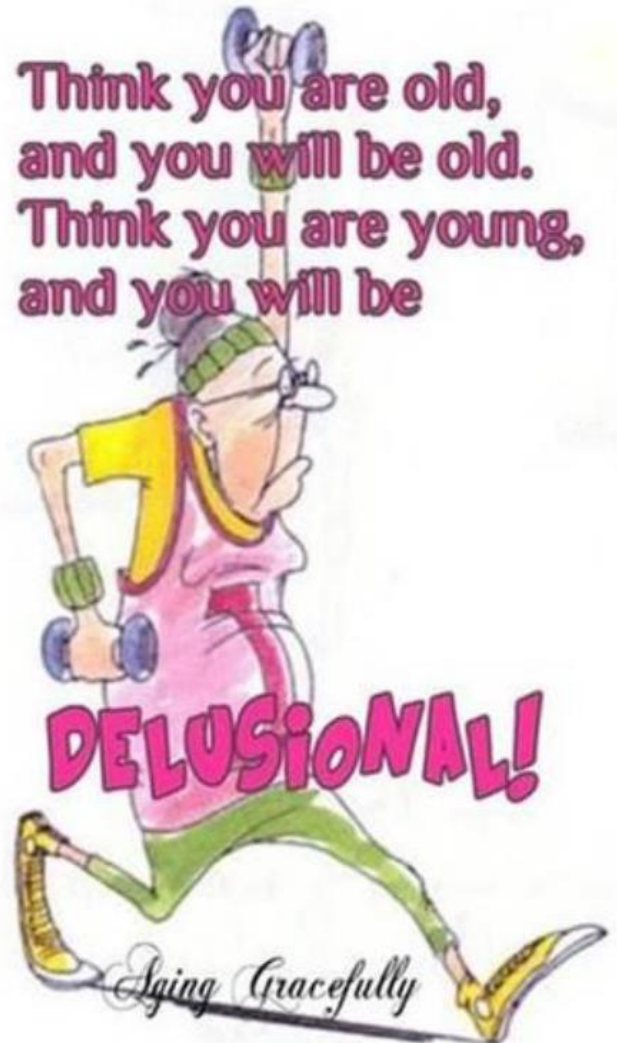

Thank you Think Big and El Dringo for hosting a great night.
