RUN REPORT 2347

LILLIPUTT HASH

With a sudden lockdown to the Townsville region COVID 19 kept the pack to a minimum of thirty hashers. Even though we were at lilliput has (Half Size Hashers) we were capped to thirty.

The run took us to the along the river and past the European mitten site of long ago, I had money on for the run to take us to the V8 track but after a couple of checks I found us running towards the golf course. Finally ending at the drinks stop. Drinks in a dark corner of the netball courts something fruity I recall then it was a race for home to find something tastier.

The GM called the Little Hares out the front of the circle and gave them there just deserves closely followed by the POW and Erectus. Then came something about a bike ride then into charges from the floor several misdemeanours were dealt with in the traditional hash manor.

SISSORS then called all the little people out again for second drink telling them to **THINK BIG** or just **COPIT**. Then the circle started turning towards a **SHOCKER** with everyone started carrying on like **MOTHER DUCKS**.

BETTY BAREFOOT made a quick **REKKY** of the crowd hoping to find some **SERENITY** in the madness, but she was **SUZIE WONG**

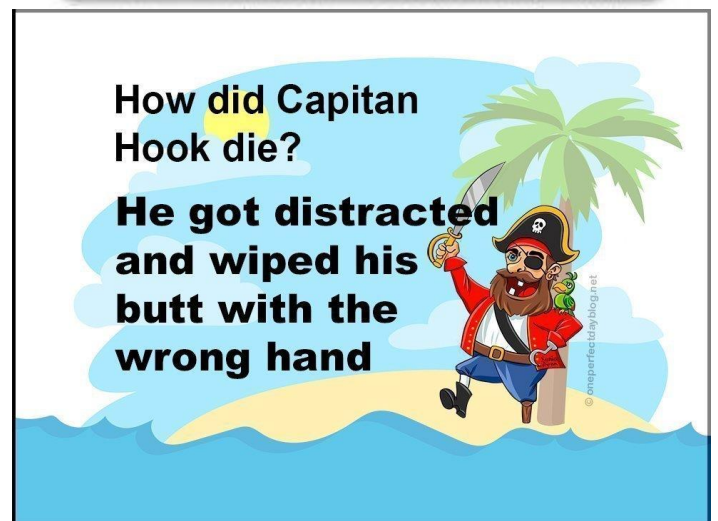

It appears **PINK BITS** was **HOTFA** a **BANGCOCK**, but **TYSON** had a task fit for **HECULES** due to a **BENTABECK** and **BLUE BALLS** trying to find an **ORGASM** not a **BLOWBACK**. Maybe a little **TOUCH UP** prior to looking into a **HOT BOX** might do the trick. **EL DRINGO** was **FILTHY** at first but then had **CAPTAIN** idea whilst trying not to be **SUDDEN INSANE** or **INN BREAD** lets get **BIG WETTY** to give a hand It could not be determined what would be the worst a big **BOOGER** or little **HEMERIOD** either way it smelt more like a **CUTTLEFISH WARTS** and all rather than a **FRESH FANNY**.

After all that we were still trying to find **AZARIA!!** Once that was all done and charged a couple of hashers struck it rich in the raffles. Nosh was served and the hashers gradually drifted off into the night till next we meet.

ON ON

BLACK N DECKER

P.S. Not sure how many Hasher equals thirty ??
