RUN REPORT 2351

The pack gathered and a vacant house with a big for sale sign out front, what a way to advertise a house for sale, throw a party and invite the whos who of Townsville and temp them with beautiful food and cheap piss. Turns out it was Toolie and Gash's place and what a setting down by the park and river, anyway the pack was sent off EARLY ffs that never happens but Toolie had some lame excuse about shiggy and darkness, off they went into the darkness while we drank piss.

Drink stop was across the road at Suds and Notso's place lol, signature nibbles very nice, circle called by GM Betty, captain doing warm vests for everybody that wants them, should be here by summer, but many hands went up for one, POW went from Hot Box to Wart and Erectus went from Blowie to Ewok, there were lots of long time no see hashers, even Twitter who we haven't seen for donks, welcome back to all, including Tartanne, Not So, Pully, Master, Daisey and Sherlock?

Charges to Tartan for being on the phone and a big drink for a hasher named after a make believe primitive teddy bear, EWOK, who is TVH3's tenth legend, Blowie rambled on with much info about the event but ended in Ewok getting a down down, surprise surprise, Hot Box got a drink for 50 runs, well done, raffles were drawn, some nice beer won and Scissors got the coveted Dans card, top night as always, great nosh and cold beer, GM called half price piss to top the night off.

Well done hares

- I used to work in a shoe recycling shop, it was really sole destroying
- I took a video of my new pair of shoes yesterday. I have just watched it back, and it really made for some excellent footage.
- I didn't think orthopedic shoes would help me, but I stand corrected
- On the 31 December at midnight, always make sure you lift your left foot up, that way you can start the new year on the right foot.
- The gingerbread man goes to the doctor and tells him he really hurt his foot. The doctor says "Have you tried icing it?"
- Why did the boy use his feet to pick up the paper that had fallen? Because his laziness was truly getting out of hand.
