RUN REPORT 2352

Well, the pack gathered at no. 5 Touch Street, Rosslea on Monday 2/8/21 with anticipation running through their veins.

The hares told the pack where to go as they were biting at the bit to explore this new area.

The runners went to the left, they went to right & then they ran all over the place. The wankers, sorry, the walkers, did the same but in the opposite direction.

Circle was called & the GM took control (shut up Ballsy), raffles were won by Sudds & Dr Seuss, still not sure about that one, Prick of the week went to Rooster.

Lots of over-achieving bastards for sum sort of fun run along Rowes bay held on previous Sunday. Nosh was served, excellent selection as well as great nibbles.

A great night, thanks to everyone,

On on

What do a clitoris, an anniversary and a toilet have in common?

Men usually miss all three

A man suffers a serious heart attack while shopping. The paramedics rush the man to the nearest hospital where he had emergency open heart surgery.

He awakened from the surgery to find himself in the care of the nuns at the Catholic Hospital.

A nun was seated next to him with a clipboard loaded with several forms, and a pen. She asked him how he was going to pay for his treatment.

"Do you have health insurance?" she asked.

He replied in a raspy voice, "no health insurance".

The nun asked, "Do you have money in the bank?" He replied, "No money in the bank".

"Do you have a relative who can help with the payments?" asked the irritated nun.

He said, "I only have a spinster sister, and she is a nun".

The nun became agitated and announced loudly, "Nuns are no spinsters! Nuns are married to God!" The man replied, "Perfect! Send the bill to my brother-in-law".
