Run 2363

Was Monday night again just like every other week started off with hash. This 1 was special it was Masterbates 50th Birthday, although I can only remember half the night due being late, bloody prick & yes myself coyote kept the shirt again for another week for not writing my name on it. From the circle the run & walk sounded pleasantly hot. Benta brought out another 1 of his absolute classic jokes, I tell he should do up a joke book. Was also good to see a few hashes that haven't been for some time. The drinks were cheap & hotdogs were a treat all in all was an awesome night.
