RUN 2370 XMAS RUN

T'was three weeks before Xmas and all through the burbs nothing was stirring not even a turd.

The Shocker was hung by the trailer with care, in the hope that St Knickaless wood soon be there.

The hashers were all fucked up and shit in their beds and most had visions of piss to be had.

When out on the lawn there arose a Twitter, and Slash sprang into action to see if he could fix her.

On on Dammit on Dumaz on on PickUp and on Vasectomy on Captain, on CatBlew, on Dunkin, on Booger.

And there you have it; they gave me a fright!

But Merry Xmas to all and to all a good night.

P.S. KnowKnob gave Prick shirt to SomeCunt. PussyLane gave Erectus to SomeCunt. And SomeCunt was named Oral C.

ON ON

Hemroid

I went to a wedding and they played "The Twist" so I did the Twist, then they played "Macerena" so I did the Macerena then they played "Come On Eileen"

So I was told to leave.

World tongue-twisting champion was just arrested. It is expected that he will be given a really tough sentence.

Three Guys are on an private jet when the pilot says they need to lighten their load.

They all agree to drop one item each. The first man drops an empty briefcase, the second man drops a beach towel, and the third man drops a live grenade. The flight continues as normal and the three men decide to visit the area where they dropped their items to see if any damage was done.

Soon enough, they find a guy holding his head and cursing. The first man asks, "What's the matter?"

The guy replies, "I was waiting at this street light, when suddenly a briefcase fell from the sky and hit me right on my damn head!"

The three men continue walking and find a woman on the ground, holding her leg and cursing. The second man asks, "What's wrong?" In which the woman replies, "I was standing out on my porch, when suddenly a towel fell on my head and caused me to trip and twist my ankle!"

The men continue their stroll when they find a kid laughing hysterically on his front lawn while his house burns to the ground. The third man asks, "What's so funny?" The kid replies, "I just farted and my house exploded!"

Today, a man twisted my ear, put a blade to my neck and, at end, asked for money.

Fucking Barber.
