Run 2374

Well, a warm welcome back to **GM BETTY BAREFOOT** and retard **BLACK n DECKER**. Well it's not really warm but volcanically hot. Who runs this weather? Obviously **PYTHAGORARSE** and **MASTERBATES** are conspicuous with their absence, but there must be more to it than that. The weather gods are definitely not on 'ice', more likely 'coke'. And then there's **BLOWBACK** with no idea except that VB is more valuable than Bitcoin. Who's actually running the joint? From a bum-cracking sweating arsehole hash runner, it seems there is no reprieve. It's like a dog without a tree. We all need some relief.

Well, the run commenced with the majority of the huge pack leaving without any instruction due to them not listening to the hare's specific directions. Might be why the runners returned home three beers before the walkers and talkers. The trail was set beautifully and marked every ten metres in chalk, and the huge pack of six responded accordingly. It wasn't a challenge but more of an endurance test.

Well, eventually the circle was called, all and sundry grabbed their 'pinnacles' and waited with baited breath. I was wondering where the fish smell was coming from. (And there were two harriettes in the water.) **SHERLOCK** was celebrated for his 41 years of hashing. Poor bastard might eventually get a life. I don't think this will happen again in my lifetime so I am lucky to have witnessed a legend in real life. The circle happened and then the raffles were drawn.

The usual suspects won in **BIG WETTY, BENTABEAK,** and **WART**. I tell you it's rigged.

Well, didn't we need more ham after the festive season, **NOT**. The stunned circle stood incredulous when no sensuous curry was presented nor announced. Too hot said the hares. And right they were. But a hearty slaw and home-made chilli sauce soon sated the hungriest appetites with many heading back for more. A few brews to wash down the nosh, frivolous chatter, cricket tragics glued to the set, and final farewells to a night of sweat, mosquitoes, and celebration at **CLITUS** and **GUMBOOTS 2022 Kirwan Capers**.

Well done hares and all who joined in to make another memorable Monday evening.
