RUN REPORT 2342

These may not be the facts of the Run but a rough interpretation of it.

The rather large pack had assembled at the Ewok abode and wetting their whistles, limbering up and purring like a brand new Ferrari straight of the production line. No wait I was just dreaming, the aged old farts where all sucking piss and awaiting instructions from the eager hares. First Ewok followed by Clever Punt up onto the podium and sending us off with the most confusing burst of babble that I have heard and believe me I have heard some shit in my time with over 20 years of hashing in nearly every state in Australia and the odd place in the world.

The Hares told the 'gathering' the run was well marked with absolutely no rhyme or reason and the pack was to head off out the gate to the right or was that to the left anyway off we went into the merky darkness of the backstreets of Mundingburra, almost to Bowen Road across what we think was an archery gallery, thank heavens there was no night training happening this particular evening. Meanwhile Suzi Wong is getting directions via her mobile phone of how to get to the drink stop, wow Hash has become technically advance next thing you know we will be GPS tracking our runs. Eventually it is on to the drink stop. A lovely concoction of port and a few spirits with a bit of a mixer. Out through Ewok's relative's property and on home all in all great little walk/run.

Back at the trailer with pack feeding their faces on cob loaf and dips, kabana, cheese and onions on a tooth pick and cold beverages to wash it all down. Then in a blink GM mounts the trailer (what a feet that was) and calls the pack to order.

Run/walk/peddlars reports delivered by various members of the pack. Awards delivered to Pink Bits 150 runs, Black N Decker 550 runs, Copit 800 walks, Bentabeak 850 runs/walks, Cuttle Fish 850 runs/walks, Hemaroid 900 appearances & Blow Back 1850, get a life runs, creeping up on that magic 2000th run.

Prick of the week from Kung Poo to Bulk Bill for calling him a dickhead on Facebook. The erectus was passed from one virgin Fresh Fanny to another virgin Serenity possibly for something to do with the State of Origin who knows.

Returnees: Clever Punt, Wrong Way, Crapper, Think Big, Eaton and Catblew

Birthday's: Hercules, Serenity, Rooster & Touch Up
Raffles won by a few luck bastards.

There were a few charges to Serenity & Scissors for Golden Ticket and Newspaper appearances. Wrong Way for his singaporian parking/driving habits. There may have been a couple of others but by now a few beers and the drink stop had kicked in and my memory checked out.

All this carry on the GM closed the circle and it was on on to next weeks run at Cuttle Fish's abode in Lower Charters Towers (Gladys St Kelso).

Excellent nosh ensued in the form of a couple of lovely tasting Pasta dish with (Apricot Chicken), Beef Goulash and some Vegetarian Tofu crap. All in all great venue, good pack, nice short stroll/run, relatively short circle with a whole heap of bullshit and great nosh to cap the night off.

Cheers, **Clitus**
