RUN REPORT 2348

My write of reply shall be short and sweet just as I. Run and walking trails were set from Mysterton by Tyson.

Off they went to where I have no idea, while Hot 4 Male was creating delicious aromas coming from the kitchen.

30 people gathered back around the trailer and fire. The circle was called, and the prick of the week shirt was slipped onto a Hot Box. Hopefully, she did her best to be a prick for the whole week.

Slash needed the erectus as it has been a long time coming.

The Monk was a little vague and after much rambling had the important task of naming a Hasher from Paul to Do Little losing his title of Dr of course.

There were charges but I forgot them as Bangkok talks for too long.

I do recall a very offensive sheet of A4 with a stupid drawing on it floating around so Wart tried it out on Pink Bits who's reach was long enough to land him one in the guts.

Dinner was superb as usual and the drinks went down down very well.

Dear Murphy,

We are pleased to inform you that the biopsy of the redness on your penis showed it was not cancerous.

It was lipstick.

We deeply regret the amputation.

THE QUARANTINI

2 parts Gin

1 part Vermouth

- In your Undies
- On the Couch
- Just after Lunch

An alcoholic wakes up in jail.

He asks the first police officer he sees, "Why am I here?"

"For drinking," replies the officer.

"Great," says the man, "when do we start?"

Serenity and Shatter, 2 alcoholics, were lost at sea.

While floating in their small boat, they spotted a bottle on the water.

Serenity quickly grabbed the bottle and took out the cork.

To his shock, a genie flew out.

"You have freed me. You may have a wish."

Serenity thought hard and pointed at the sea.

"Turn all this water into Guinness."

There was a flash and the genie was gone, leaving a frothy sea of Guinness.

"Why would you do that?!" complained Shatter.

"What? You don't want beer?" asked Serenity.

Shatter shook his head and sighed.

"Now we'll have to piss in the boat."
