# Run 2367

Run 2367 (3rd one for November 2021)

**Date:** 15 Nov 21

**Start Time:** 1800 Start, but it may have been a little before or a little after according to whose watch was timing it

**Finish Time:** Sometime later, about sevenish

**Venue:** 14 Kitchener St, Pimlico. **Betty Barefoot and B n D's** place. It's okay to park in the street for Hash, BUT, if you are going shopping at Castletown, DON'T F%\*&ing park there.

**Hares:** Naturally **Betty Barefoot & B n D**

**Weather:** Warmish and getting warmer with, slight coolish wind.

Sally in the alley sifting cynders

**Run:** Yes, with bitumen, concrete, a little grass and threaded through the streets of Pimlico, The City, Castle Hill, West End and a BUS. Yep a bloody BUS and the wheels do go round and round. Some virgin country, the new steps on Castle Hill. I think **Blowback** said there was close to 300. Felt every one of them.

**Type of Run:** A fairly well marked run of a reasonable distance for both the Long Runners and the Short Runners as they also did most of the trail.

**Walk:** Yes, but I wasn't on it, but some walkers said it was a decent walk and like the runners there was a Bus ride.

**Trailer Sitters:** Yes, there was a few and the trailer stayed there and wasn't stolen, unbelievable!!

**Drink Stop:** Yes, in the park with the backdrop of the cemetery.

**ENTERTAINMENT:** Absolutely mind blowing on the BUS. Two Beautiful black women, I say beautiful because they told us they were (ever hear the saying 'As ugly as a hat full of arseholes', I think you get the message. There was white trash (hang on, that was us). There were old people, so the Vegemite's said (hang on, that was us too), you know 50's and 60', but they're prejudice too, because they forgot the 70's. Bastards. I think they just didn't like us as we were not from Palm Island. I think they got lost too, because when we got off the BUS, we went one way, and they went the wrong way. Then again, they've been going the wrong way for 60,000 years. Got told they're are the original landowners too, gee what's Australia got itself into. Glad they're not running the country, or hang on, are they. They may be because they are the minority and that's how it's working these days, or it seems to be. After all they were just pissed gins but provided us with entertainment. I don't know how **Blue Balls** would have handled them. Why does it always appear to be a one-way street? At least the didn't give us a welcome ceremony, no, far from it and thank goodness. There was also no acknowledgement to the land or the BUS. I could go on a lot more, but I won't.

**Drinks at On On:** Yes, plenty and nice and cold  
Lifted up her leg and farted like a man

**Circle:** Yes, and it went well, just like the previous ones and probably going to be like the future ones.

**Bullshit being Spoken:** Yes, plenty and even more so on the BUS.

**Safety Officer Report:** None tonight and none of late

**Virgins:** NO, where the hell are they.

**Visitors:** No

**Down Downs:** Yes, pretty much the norm.

**Most Down Downs:** Can't remember

**Birthdays:** Nil

**Naming's:** No

The blast from her arse blew out six windows

**Awards:** Yes. **Blue Balls** 100<sup>th</sup> and taken nearly the same time in years

**POW:** From **Jazz** to **Know Knob**

**Erectus:** From **Jarrold** to **Mal**

**Icings:** None

**Charges:** Yes, once again for a variety of Hashers, for a variety of reasons

**Down Down Songs:** Mainly "Here's to theses pricks"

**Down Downs by Name:** Some

**Raffles:** Yes

**Winners:** Three of them, one got First, one got Second and one got last

**Losers:** Lots, including me

And the cheeks of her arse went bam, bam, bam

**Nosh:** Yes, of course and must have been good cause I had seconds

**Yummy:** Yes

**Dessert:** No, because it wasn't advertised on: the three billboards outside Ebbing, Missouri. (What the f%#& was that got to do with dessert. Nothing!!!!)

**Yummy:** No because there wasn't any

**Good Night:** Yes, as always

**For Sale:** Fist full of BUS tickets, see B n D

**Dementia:** Some are getting close to it

Thanks Hares, well done, another successful **Hash** Night with entertainment.

**Knocked Up: Orgasm,** yep, one on the way.

Drink it Down, Down, Down
