## **Run 2379**

**Hares : BOOGER , BENTABEAK, (AND IN QUARANTINE) BLUE BALLS**

It was a “B” theme for this balmy, back-alley, ball-busting, bugger of a run. **BOOGER**, you did it again. We were even chased by the Kirwan Constabulary in part, but such a well-marked trail gave us that get-away edge. **BLACK N DECKER** assumed the trailmaster’s role and accordingly ran 5kms further than the other runners. Oh! and what a drink stop. “**HOW’S THE SERENITY**” was echoed by the tired and thirsty pack, over the constant calamitous chatter of the local friendly flying foxes. Don’t we wish we all had a pet one – NOT. The walkers, except for the lilliputians, **COPIT and NOT SO**, were nowhere to be seen. Lost again I think, and with a new trailmaster and all. Looks like **GM SC** failed his first mission. The trail home, in true **BOOGER** style, was twice as long as the first half. What a bastard of an act! The runners finally found home and still had to negotiate a newly dug grave-site that was waiting for any poor hash soul who was truly at their end. Which was just about everyone on the run or walk. Apparently the walkers hit a new record for distance and stamina, and there was much grumbling as they gathered around the life-saving trailer. And I heard someone say that the beer was too cold. Get a life. **BOOGER** generously donated and afforded all a discount on their drinks which we all scoffed in haste and style. Then came the dreaded moment – **GM SC’S** first circle. And he handled it with aplomb, and was rewarded with the **ERECTUS** which he gratefully accepted. **SHATTER** was humbled to receive the virgin **POW** along with the Doctor Dans voucher. The Kirwan Connection in **WART and BIG WETTY** cleaned up the other raffle prizes. Down downs were had for birthdays and bullshit, and then nosh was served – roadkill scrolls. And bloody lovely burnt vego lasagne – the best black dish in Kirwan, and many lined up for seconds. Great feast, cold beer, and constant dribble made for another crazy Kirwan caper. Congratulations on your first **GM SC** and **ON ON** to Burt Street next week one and all.

## **Some Hash Dittys**

### **DOWN DOWN DOWN YOUR BEER (Melody – Row Row Row Your Boat)**

Down Down Down your beer,  
To pay for your crime.  
Quit complaining about the taste,  
There's no sperm this time.

### **TWENTY TOES**

Here’s to the game of twenty toes,  
It’s played all over town,  
The girls play with ten toes up,  
The boys with ten toes down, down, down,  
down.

### **SHITTY TRAIL**

**(Melody – Mickey Mouse Club song)**

S-H-I-T-T-Y T-R-A-I-L  
Shitty Trail,  
Shitty Trail,  
The mother fuckers laid a shitty trail!  
I would rather drink this beer,  
Than run your shitty trail.  
S-H-I-T-T-Y T-R-A-I-L  
So drink it down, down, down . . .

### **HE WANKS HIS CRANK**

He wanks his crank in the morning  
He wanks his crank in the night  
He wanks his crank with his left hand  
and he cleans it up with his right.  
So drink it down, down, down . . .

### **YOU’RE STUPID, YOU’RE STUPID**

**(Melody – Chant)**

You're stupid, you're stupid  
You're really fucking dumb  
If it wasn't for your mother  
You'd be a spot of cum!
