## Run 2379

21/2/2022 RUN 2380 HARES - SUDDEN INSANE & NOT SO

What a great start to the week & 2022 NRL season with our boys kicking the Rabbitohs in the Jatz Crackers 24 points to 12.

**BOOGER** has also had a perfect start to the week.... arrived at run 2381 without the Dan's raffle prize card and had to mercy dash and grab one (plus a card as well).

**BOOGER** is possibly travelling incognito at present having scribed last weeks run report in some obscure foreign language, and now he answers to the name "**ORGASM**" in TVH3 run circles. Perhaps maybe he is stuck or languishing somewhere in a world far away as his run report "number" was also displaying as duplicated upon surveying the weekly TRASH. Obviously having a "Barry Crocker" at present.

We were greeted at the venue by the new addition to the Suds & Not So family, playful mischievous little fellow he is & loves to decamp via the open gate, nice & easy to catch as well, just ask **BOOGER**.....6pm off on time by the hare for a run & walk Riverside, Douglas, Aitkenvale, Park Drink Stop, Douglas. "**Wetchex**" & "**Slash**" were accosted by a couple of the opposite sex under the Nathan St bridge on their trek home, think they were reminiscing from years bygone.

A few Hashers of about 30 odd, graced us with their presence, among the pack

Several "no see me for long timers": **PULLTHRU**, **TITANIC**, **WETCHEX**.

Several "no see me for few weekers": **KUNG POO**, **PUSSY LANE**, **SHOCKER**, **ORGASM**, **PINK BITS**, **BLUE BALLS**.

Two "no absent note for being one-week absentees": **BLACK n DECKER & BETTY BAREFOOT**.

We welcomed another legend into the club also, "**CAPTAIN**" attained the 1000 run achievement, Good on you Champion...and welcomed in with some words of wisdom by the last crowned legend "**EWOK**".

"**BLUE BALLS**" finally turned up to get his award for the Valueless Shithead & also nearly got Prick of the Week as "**REEFA**" had sewed a couple of Blue Balls onto the POW shirt, **W.T.F.**,

but then decided at the 11<sup>th</sup> hour he wanted the shirt in as a raffle prize along with a roll of toilet paper in case the recipient got the shits upon winning the much sought-after POW gift.

Erectus was passed from "**STREAKER**" to the newest legend "**CAPTAIN**" who then advised us he has had it about 42 times. The much sought-after POW gift was raffle 1<sup>st</sup> prize...& won by **BLACK n DECKER**, which he received ever so graciously.

Other raffle winners "**EWOK**" with the Scratch IT ticket, Hare "**SUDDEN INSANE**" took on the tokens & "**WART**" was Dan Murphy's recipient to which he then immediately sought out an opponent who was looking to lose game of FISH or POKER with all of a kind Dan's fistful that he had retrieved from his wallet. Perhaps a card trick??

After a few sherbets the ever-mischievous **BOOGER** then decided to play 52 pickup with **NOT SO'S** peg collection, somewhat scrambled they are now!

Think he posed this distraction in order to grab a few new ones for home?

Pasta Bake for nosh was received with thanks to the cooks.

Good run / walk of about 4 to 6 kilometres

On On from Some C##T till next week at El Dringo's & Think Big's

**What would you call a penguin with no I?** Penguin.

**Why did the two penguins jump when they first met?** They were trying to break the ice.

**Why are penguins good racing car drivers?**

Because they are always in pole position.
