## Run 2379

The pack gathered at El Dringo and Think Bigs place for run 2382 in downtown Currajong. Runners headed off around the suburb of Currajong and Pimlico. The trailer group milled around talking shit.

I walked to the Centenary Hotel for a beer or two then back to the bucket at about the same time as the runners and walkers got back.

Think Big had been very busy with making an enormous number of very delicious sausage rolls.

Circle was called and the normal down downs were had by Hares and those chosen to give the run, walk and bucket reports.

The Erectus was missing in action The POW passed from BnD to Scissors.

The raffles were drawn and won by Scissors Shatter and who knows won the scratchy.

Wart graciously had his prize re raffled as he won last week.

Congratulations to the Hares great nosh.

Great Night

On On till next week.

### **An exercise for people who are out of shape:**

Begin with a five-pound potato bag in each hand. Extend your arms straight out from your sides, hold them there for a full minute, and then relax. After a few weeks, move up to ten-pound potato bags. Then try 50-pound potato bags, and eventually try to get to where you can lift a 100-pound potato bag in each hand and hold your arms straight for more than a full minute. Once you feel confident at that level, put a potato in each bag.

"There's a thin person inside me screaming to get out. Can you prescribe something to sedate him so I can hear my TV programs?"
