## Run 2383

Hares Ewok, Streaker and Inn Bread with Molly the dog.

On this balmy March evening the pack gathered at Ewok and Streakers abode in Water street to find the trailer already there and stocked full of cold piss so that was a great start. Inn Bread sent the eager pack off on the run and the walkers as well in a different direction. They all returned safely and there was a drink stop apparently.

Many cold beverages were consumed on return and the bullshit was that thick you needed a shovel to get to the trailer. GM called the circle and many down downs were dished out including some hashers we haven't seen for some time. Kelly who we haven't seen for ages scored the erectus and Scissors gave the POW to Blue Balls for some obscure reason, raffles were won by some lucky hashers and without any warning the GM makes me scribe

#%&\*@##, then it was on for some yummy nosh served in the courtyard overlooking the pool  
Great night of hashing, cold piss and yummy nosh

Well done to the hares

On On Think Big

Bloke goes into a British pub on a hot summer's day and the barmaid asks what he wants. "I want to bury my face in your cleavage and lick the sweat from between your tits" he says....

..."You dirty pig!" shouts the barmaid, "get out before I get my husband."

The bloke apologizes and promises not to repeat his gaffe. The barmaid accepts this and asks him again what he wants. "I want to pull your pants down, spread your arse cheeks and lick all that sweat." She says, "You dirty filthy pervert! You're banned. Get out!!"

Again, the bloke apologizes and swears never ever to do it again. "One more chance," says the barmaid, "Now - what do you want?"

"I want to turn you upside-down, tear your knickers off and fill your cunt with Guinness, and then drink every last drop from your hairy cup."

The barmaid is furious at this personal intrusion, and runs upstairs to fetch her husband, who's sitting quietly watching the telly.

"What's up love?" he asks.

"There's a bloke in the bar who wants to put his head between my tits and lick the sweat off", she says.

"I'll kill him. Where is he?" storms the Husband.

"Then he said he wanted to spread my arse cheeks and lick the sweat off" she screams.

"Right. He's dead!" says the husband, reaching for his cricket bat.

"Then he said he wanted to turn me upside-down, fill my cunt with Guinness and then drink it all" she cries!

The husband puts down his bat and returns to his armchair, and switches the telly back on.

"Aren't you going to do something about it?" she cries hysterically.

"Look love, I'm not messing with any bloke who has the strength to flip you upside-down and can drink that much Guinness..."
