## Run 2383

**HARES: Shatter El Dringo & Think Big**

The pack gathered in the very familiar backyard of **El Dringo & Think Big** who again put their hand up to host the run as **Shatter** had put himself into isolation.

At a few minutes after 6, **El Dringo** gathered the pack and then released them to take in the sites of **Currajong Heights**. The running pack lead by **Wart, Shocker & B&D** headed down **Hopkins St** and then into the drain to find themselves on a well warn trail that was the same run 2 weeks earlier. Fortunately, my memory has not completely disappeared and I was able to show **Mother Duck** a few short cuts.

The walkers led by **Dunkin and Clitus** must have found a shortcut themselves as they were back at trailer before the runners this time round. **Slyroot** graced us with his presents and his many tails of his travels from the **Tablelands to the Isa and the Ville** and back again.

The **GM** and stand in **JM Serenity** gathered the pack together for the evenings proceedings, the Hares enjoyed the first of the **Down Downs** with **B&D** providing a vivid **Run Report**. The **POW** was handed to **Shocker**, the **Erectus** was **MIA**. Charges from the floor keep the acting **JM** busy as most of the pack savoured that unique taste of **TUN**.

Nosh was served and a top spread was provided by our hosts - a good night was had by all.

## **JOKES!**

**You know that mouth-watering sensation you get when you're grilling a steak on the BBQ?**

I wonder if vegans get that when they mow the lawn.

**I invited my erectile dysfunction support group over for a BBQ...**

Nobody came.

**I'm holding a charity BBQ for ppl who can't get an orgasm ..**

If you can't cum, let me know

**A man is trying to decide which woman to marry...**

He is picking out of three women. In order to test which one he should marry he gave each one of them \$5000 to see what they would do.

The first woman spends her money on new clothes, lingerie, and a total makeover. She tells him she did it because she loves him so much and wants to look great for him. He is very impressed.

The second potential bride spends the money on things he would like. She buys a new huge TV, a BBQ pit, a comfy new recliner, among other things he would like. She says she wants him to be happy because she loves him so much. He is very impressed.

The third one takes the money and invests it into the stock market. She quadruples the money and pays him back the original \$5000. She takes the rest and invests it into a joint saving account. She says she wants to invest in the future with him so they can have a long loving life together. He is very impressed.

He thought long and hard about which one he should marry, and in the end picked the one with the biggest boobs.
