send to Knicka-Less – BY THURSDAY NIGHT

Run 2387

Ahhh shit it 4:00 o'clock on the Sunday afternoon and I have just received an abusive E-mail from Knicka-Less. So here is a recap of what I remember. Monday arvo and I raced my way to hash just to make it there in time for the run to start. I think it was Big Wetty who stepped up on the trailer and sent us off. So off we went following some arrows on the road to presumably a drink stop. We lost trail a couple of times but eventually we found the drink stop located in some new suburb that I'm sure anyone else on the run/walk could tell you, however I'm bad with names so I'm just going to call it the new one with tiny houses on a very small block of land and very low fences. Like seriously we pretty much cased the place while at our drink stop. Then it was on, on to back home. We did the usual stand around drinking and solving the world's problems while scissors started a new career as a bookie and started taking bets on the arrival of a new future hash baby. The circle was called and I think we had a run/walkers report. I think Homo handed the erectus to someone. I can't remember who and Kelly attempted to offer the POW shirt to who ever wanted it. Gotta say I never heard the circle so quiet. She then gave the shirt to Think Big. I remember that. The circle went on and raffles were drawn. Kelly was the girl to look at while she drew out her own ticket for third prize. Some one else won second prize and of course I did not win first. Finally, how could I not forget the sending off to one of our favourite members Sniper as she is leaving us to go to Western Australia I think she said? But I think she put up on twitter she is really going over seas to fight the war against Russia. We wish you well Sniper. Well that's all I can remember so on on to tomorrow - Shocker.
