# Run 2388

The run was set by **HERCULES** and **ORAL C** and it was like one of the 7 W of the W. It is lucky that there are only 7 D in the W and 24 H in a D or the run could have ended up a marathon. This run could become an annual event as there are 52 W in a Y or maybe they could set the run less regularly as there are 29 D in F in a L Y.

The bike riders wheeled confidently into Herc's abode and that reminded me that there are 3 W on a T. The pack set off at all angles and of course there are 90 D in a R A.

The 3 B M (S H T R) led the pack by putting one foot after the other which was easy as there are 5 T on a F. As they passed a sporting field it came to mind that there are 15 P in a R T, 18 H on a G C, 11 P in a F (S) T and 6 B in an O in C.

The pack then meandered along a road and there was a church. The spiritual amongst the pack immediately thought that there are 66 B in the B, 27 B in the N T, 39 B in the O T and 23 P of C in the H B.

The less spiritual simply looked at the sky and thought about the fact that there are 12 S of the Z. The trail wound around itself just like the 8 T on an O. **SERENITY** must have the 9 L of a C as he continued to dodge in and out of the traffic.

The run wasn't lengthy but with 60 M in an H it seemed to go on and on and as we know 13 is U F S.

The thirsty pack arrived back to bread and water knowing that there are 13 L in a B D and that 32 is the T in D F at which W F. Drinks were had and the till received a strange banknote but it was all cleared up by a visiting South African who told us that there are 100 C in a R and 26 L in the A. Whilst talking about visitors a yank turned up and promptly explained to us that there are 13 S on the U S F.

Raffles were won, charges were made and the night began to wind down. **MOTHER DUCK** told me that she was going home to play strip poker as there are 52 C in a P (W J) but I believe that **HEMROID** may not be able to play as he does not have the 23 P of C in the H B.

The **GM** said he was going home for a night cap and gave us a hint of what he would drinking as he sang 15 M on a D M C.

A good run and great food ladies.

And then it was ON ON to next week which probably won't come quickly as there are 1000 Y in a M. **WETCHEQUES**

What did the Easter egg say to the boiling water?

*It might take me a while to get hard cause I just got laid by some chick.*

What's the difference between a picture of Jesus and the real Jesus?

*You only need one nail to hang up the picture of Jesus.*

Why wouldn't you want to be an Easter egg?

*You only get laid once.*

I'm sending the kids out to look for eggs I haven't hidden.

What did Arnold Schwarzenegger eat to know

I saw Arnold Schwarzenegger eating a chocolate egg so I said to him, "I bet I know what your favorite Christian festival is." He said, "Have to love Easter, baby."

Why is Easter an Alzheimer patient's favorite holiday?

*They get to hide their own eggs.*

I feel sorry for Jesus. He spent most of his life trying to do good deeds, yet more people celebrate his death than Hitler's.

Whenever I'm in doubt, I ask myself, "What would Jesus do?"

*Then I remember Jesus got crucified, so his decision making skills obviously weren't brilliant.*
