Run 2393

We gathered at Shatter's for the combined full moon run.

Runners headed out to no trail marked, Serenity guided runners and trotters around the "lap run" as in run around in circles before arriving at Sherlock's for a drink stop. Walkers were lead by Duncan. Full Mooners lead by Blow Back. Trailer Trash did the usual.

POW was awarded to Tool Squeezer, who spent the rest of the night actively wanking and ended up with warts on Bangkok's dick. Erectus was passed on to Oral C for 1st trot.

Couple of visitors; Melanie, Shatters neighbour who works in aged care and is looking forward to caring for us all. Metro from down south entertained us with his musical talent.

Everyone enjoyed nosh and the usual bullshit continued.
