Run 2395

Run 2396 (1st one for June 2022)

Date: 6 Jun 22 (Queensland Day) Go the Blues

Start Time: 1800 Start, but it may have been a little before or a little after according to whose watch was timing it

Finish Time: Sometime later, about sevenish

Venue: 14 Kitchener St, Pimlico. **Betty Barefoot and B n D's** place. It's okay to park in the street for Hash, BUT, if you are going shopping at Castletown, DON'T F%*&ing park there.

Hares: Naturally **Betty Barefoot & B n D**

Weather: Warmish

Hashed all over Riyadh

Run: Yes, with bitumen, concrete, a little grass and threaded through the streets of Pimlico, and some adjoining burbs.

Type of Run: A fairly well marked run of a reasonable distance for both the Long Runners and the Short Runners (Trotters). Believe it or not, no hills

Walk: Yes, but I wasn't on it, but some walkers said it was a decent walk and some were a bit confused and thought that they or others were lost

Trailer Sitters: Yes, there was a few and the trailer stayed there and wasn't stolen, unbelievable!!

Drink Stop: Yes, in the park with the backdrop Castle Hill and Castletown shopping centre.

Drinks at On On: Yes, plenty and nice and cold
Get a load of this

Circle: Yes, and it went well, just like the previous ones and probably going to be like the future ones, but it was a big one and we went through all the left over drink stop piss and all the Hammer and Tongs .

Bullshit being Spoken: Yes, plenty

Safety Officer Report: None tonight and none of late

Virgins: NO, where the hell are they.

Visitors: Yes, we had a couple from the Sunshine Coast and a couple from Darwin. Boobs, Bundy, Sex On and Full Bottle??

Down Downs: Yes, pretty much full on due to a decent sized kennel and some visitors.

Most Down Downs: Can't remember

Birthdays: There were a couple and you know what, they know who they were.

Naming's: No

All we had to drink

Awards: NO, not tonight and I don't mean **Not Tonight**

POW: MIA

Erectus: From **Bentbeak** to **Hemmroid**

Icings: A couple, some right and some not. When you sit on the ice you pull your pants down

Charges: Yes, once again for a variety of Hashers, for a variety of reasons

Down Down Songs: Mainly "Here's to theses pricks", with a couple of ditties thrown in.

Down Downs by Name: Some, a few, a lot most

Raffles: Yes

Winners: Three of them, one got First, one got Second and one got last

Losers: Lots, including me

Was fucking camel piss

Nosh: Yes, of course and must have been good because some had seconds

Yummy: Yes

Dessert: No, because it wasn't advertised on: the three billboards outside Ebbing, Missouri. (What the f%#& has that got to do with dessert. Nothing!!!!!!)

Yummy: No because there wasn't any

Good Night: Yes, as always

For Sale: Nothing tis week but some lost property was available for viewing and taking if it was yours

Dementia: Some are getting close to it

Thanks Hares, well done, another successful **Hash** Night with the best pack we've had this year

Knocked Up: Not anyone anymore because **Orgasm** has dropped her bundle.

Drink it Down, Down, Down

On On Captain
