Run 2401

Run 2401 (1st one after the Celebration Run for 2022)

Date: 4 July 22. Go the Blues

Start Time: 1800 Start, but it may have been a little before or a little after according to whose watch was timing it

Finish Time: Sometime later, about sevenish or could've been before cause the weather was shit.

Venue: 12 Laburnam, Cranbrook. **Catblew's** place. It's okay to park in this street.

Hares: Naturally Catblew

Weather: Cold, wet and ugly

Hashed all over the US

Run: Yes, with bitumen, concrete, a little grass and threaded through the streets of Cranbrook and maybe some adjoining burbs.

Type of Run: Not marked run because it was wet, wet and very wet and distance to suit.

Walk: Yes, and once again it was wet.

Trailer Sitters: Yes, there was a few and the trailer stayed there and wasn't stolen, unbelievable!!

Drink Stop: No, too wet. Plenty from Heaven though

Drinks at On On: Yes, plenty and nice and cold, hardly needed ice because of the weather.

Went from state to state

Circle: Yes, and it went well, just like the previous ones and probably going to be like the future ones. However this one was in a real huddle due to you know what, the weather. Rain drops keep falling on my head

Bullshit being Spoken: Yes, plenty as always

Safety Officer Report: None tonight and none of late

Virgins: NO, where the hell are they.

Visitors: No, not tonight Jan.

Down Downs: Yes. Some concoction given by **Catblew**, either port or a red!!!!

Most Down Downs: Can't remember, but probably **Cat**.

Birthdays: There was one and it so happened it was the Hare, **Catblew**. Happy Birthday **Cat**.

Naming's: No

The beer was Fu&^%#g awful

Awards: Yes, a couple tonight **Serenity 400, Slash 700 and Catblew 750**. Congrats to you all

POW: Coppit to Blowback, can't say his wife doesn't give him things

Erectus: MIA for a few weeks now

Icings: No, too bloody cold

Charges: Yes, once again for a variety of Hashers, for a variety of reasons

Down Down Songs: Mainly "Here's to theses pricks", with a couple of ditties thrown in, I think.

Down Downs by Name: Some.

Raffles: Yes

Winners: Three of them, one got First, one got Second and one got last

Losers: Lots, including me

But the women were great

Nosh: Yes, of course and must have been good because some had seconds

Yummy: Yes

Dessert: No, because it wasn't advertised on: the three billboards outside Ebbing, Missouri. (What the f%#& has that got to do with dessert. Nothing!!!!)

Yummy: No because there wasn't any

Good Night: Yes, as always

For Sale: Nothing this week, not even lost property after a big weekend. Amazing!!!

Dementia: Some are getting close to it

Thanks to the Hare, well done, another successful **Hash** Night with some awful weather. Did I say awful, it was Fu%\$#g terrible

Fire: Yes there was one, but not much heat, not much flame, but plenty of smoke. It was only to keep the mozzies away. No one got stung, so it worked, another great Hash success. You see, you don't have to be a scientist to invent mozzie repellent.

Knocked Up: No one.

Drink it Down, Down, Down

On On Captain
