Run 2403

Hares Duncan and Knicka-less

Venue- The Sticks

Well first time I've driven to Hash had to get the GPS

Working to get there.

Very few runners a few walkers and I believe

Some people stay at the trailer, bless them for keeping the

Beer safe. Funny suburb not really finished B&D led

the pack, poorly marked we ran 2 km with out seeing a

mark. B&D assured us we weren't lost but we did

end up at a drink stop. HOW does the Army manage

with out him?

On back to Duncan's house for beer crisps and

Bullshit. We were graced with the presence of the GM

Of Lakeside Hash Melbourne some of the old hashers

Knew him Thypagorus pleasant man though.

Circled up Mother Duck gave the POTW shirt to Big Wetty

For I have no idea.

Blowback said a few words about Emelda and she was

Toasted with port. RIP our beloved Harriet

I didn't win the raffle probably Wart

Pasta nosh onion to next week
