Run 2411

Arriving hashers headed straight to the trailer and some made a bee line to our newest Lilliput hasher

Miss Mercedes. She was resting peacefully in her pram that was until catblu scared her poor Lil darl

Was crying. It's all right cat Mummy saved her.

Shocker sent the pack on On some left some right and some to the pub.

The pack arrived back to the trailer for a well-deserved drink.

Circle called by Captain get your pannikins !!!! The Darwin mob did pannik as they didn't have a bloody clue what Captain was talking about.

Birthday down downs were had, erectus was missing as ballsy trip over the bloody thing cuming out his front door.

POW shirt also missing it must have gone on a COOLDRIVE on the bread run with in bread.

We had the privilege of 4 visitors from Darwin who cum to enjoy our hospitality, can't remember and couldn't hear names as there was too much talking in the circle.

Raffle drawn some hashers won good on em!!!! Lucker than me.

Good nibbles and nosh

Thanks Shocker Orgasm and Lil Miss Mercedes
